

By Phat

One of the lads at the Halloween party staged by the Boys Club last Wednesday night at the Torney Hospital gymnasium, huffed and puffed up to Earl Hough, one of the Lions Club members helping out in the party and said: "Gee, this is a lot more fun than being in jail as we were last Halloween." . . . Palm Springs set something of a record last Wednesday night. Not a single call or complaint came in to the police department—and it was Halloween.

KEEP 'EM BUSY—Sponsored by the Lions Club, the Boys Club rallied about 160 boys at the Torney gym. They played games, ran races, boxed, and had a great time. They were so tired when they were through at 10 p.m. that they wanted to go home and to bed. . . . Chief A. G. Kettmann figures that the party, which was paid for out of the Boys Club own funds, saved the Village several hundred dollars in post-Halloween repairs. . . . A few windows were soaped—but it wasn't the kids, it was the old goats who should have known better.

THE VILLAGE—There must be a lot of Los Angeles people in town. Never saw so many screwdrivers as there are on Palm Canyon drive these days. . . . Bill Fadden has a lot of fun serving as choirmaster at the Rainbow room, leading the community singing. . . . The flag is supposed to be flown only from sunrise to sunset. These days it isn't up long. Sunset, under standard time, comes around 4 o'clock these days. . . . Notice the diminishing amount of bell bottom trousers in town? That's because the naval station at 29 Palms has been closed and the boys moved to Oxnard.

THE MAIL—Comes a clipping from a Los Angeles paper headed "Washington Drinks Most" and the article goes on to state that per capita consumption of hard liquor in the nation's capital is the highest in the land. The clipping was accompanied by a letter signed "Irate Consumer" in which it was set forth that obviously, Palm Springs wasn't included in the survey. . . . Most numerous questions asked this week concerned the date of Thanksgiving. It's Nov. 22. This year 46 of the 48 states will observe Turkey Day on Nov. 22, two will stick to the last Thursday, Nov. 29. Congress recently decided that the fourth Thursday in November will be Thanksgiving Day. Next year every state in the Union will make the fourth Thursday Turkey Day.

ODDS AND ENDS—Understand, via underground, that the S.P. is going into the streamline field and that there will soon be two deluxe streamliners passing by the Palm Springs depot, one a super-Pullman affair, the other an all-coach train, cutting the time to Chicago by several hours under present schedules. . . . Merritt Smith says he can now shave in 80 strokes. Bert Misner says he can do it in 50. But then, Bert's a pro and this is strictly an amateur affair. My course must be rough—can't break 125.

MUSIC—Guy Lombardo made the front pages this week. Says my favorite band leader: "Swing is on the way out. We're in for an era of torch songs." He ought to know. Have been listening to him for 25 years and still like him best. "Swing will be out by spring" he said. So don't try to learn to jitter-bug. Your sedate two-step will be right in style next year. No boogie-woogie, no rattle-de-bang of the drums, no brassy ear-breaking interludes—just sweet music. They're jamming the places where sweet music is dispensed says Lombardo. Well, that's for me and it might as well be spring. It's been a long, long time.

Halloween Sets 'Quiet' Record

Halloween night in Palm Springs was the quietest in the history of Palm Springs, Chief of Police August G. Kettmann said yesterday morning. Not a single complaint came in to the police station during the night and the only call came yesterday morning when police were informed by Howard Lindsley that someone had let the air out of the tires and poured water into the carburetor of his parked automobile. He told police he did not think it was a Halloween prank but a personal grudge affair.

Resignations of 2 Tabled by Council

Mrs. McCarn Named Acting City Manager

Mrs. Louise McCarn, city clerk, was appointed acting manager to serve until council decides on a successor to Ray M. Sorum and two other building and inspection office resignations were tabled when city council met Monday.

FOR CLEAR FIELD

P. M. Swart, deputy city engineer and assistant city manager, Monday handed in his resignation to be effective on the same date as Mr. Sorum's and Arthur F. Wright, city building inspector, handed his in last week. Both explained to council that they had been working under Mr. Sorum's office and were resigning to give the new city manager, when he is appointed, a clear field in selecting his own staff.

Council prevailed upon both Mr. Swart and Mr. Wright to continue in their posts, at least until the new manager is appointed.

It was the consensus of council that both men felt obliged to resign when their chief did, so as not to embarrass the new appointee. Therefore, on suggestion of Mayor E. E. Theriault, council voted to table their resignations until definite action was taken.

The motion to appoint Mrs. McCarn as acting manager was made by Councilman Maurice McCann and seconded by Councilman Armand Turonnet. It was adopted unanimously.

Two Escape in Civilian Plane Accident Here

The first accident involving a privately owned airplane piloted by a civilian occurred Wednesday afternoon on one of the runways of the Palm Springs army air field.

The tiny plane, a Taylorcraft operated by Clifford W. Parmenter, 310 E. 67th street, Los Angeles, and carrying Corporal Charles Foote, member of the 15th Ferrying Service station as a passenger, nosed over on the runway after it had safely landed.

The pilot sustained a minor injury to his head, while Corporal Foote was able to extricate himself from the aircraft uninjured.

Build New Home for Music Firm

Work was well under way this week on a new store and apartment building being erected by Harold Murphy and Jimmy Hume of the Palm Springs Music company in the 300 block on North Palm Canyon drive, the first new store building to be erected in the business area since the end of the war.

The lower floor will house two store rooms, one 20 by 100 feet, the other, 30 by 100 feet. On the second floor will be apartments. Harry Williams is the architect and Barber Construction company of San Bernardino, the contractors.

READY BY CHRISTMAS

Mr. Murphy says it is hoped to have the new building ready before Christmas.

Cost of the first floor was given in the building permit as \$18,000. Since the original design, it had been decided to add four or six high class apartments on the second floor so the total value will approximately double that figure.

Bond Queen Contest to Mark Drive

Campaign to Run From Nov. 5 to Dec. 1 in City

There's a young lady in the Village who has a chance to become queen of Hollywood for a day, at least, while at the same time helping put across the Victory Bond campaign in Palm Springs.

Arrangements for a bond queen contest were completed Monday night when Chairman Tom Holland of the local bond committee, Fred Ingram of the Bank of America, and George Strebe, representing the theaters, met with Harry E. Creasy of Riverside to discuss the plan.

BY COMMUNITIES

In simple form, each community in the county will select bond queen candidates and ballots will be provided each issuing agent. When a bond is sold, the buyer will cast a ballot for his favorite candidate. The queen contest is confined to E bonds only and a vote will be counted for each \$18.75 unit sold.

The local winner will then go to Riverside for the county contest where the percentage of E bonds sold, based on the county quota, will be 75 per cent of the score and queenlike qualities and charm, the balance.

TO HOLLYWOOD

From the county, the contest goes to Hollywood where the bond queen of the three western states will be selected. The winners will be feted by the studios.

The contest is open to young women from 18 to 26 and extends from November 5 to December 1.

Palm Springs candidates will be selected at a performance at the Plaza theater next Wednesday night when a special preview will be shown and the candidates appear on the stage. It will be a battle between the men and the women. Men's organizations will back one candidate and women's organizations the other, when the final candidates are chosen.

OFF TO SLOW START

A chart showing the progress of the race will be maintained at the theater until the end of the contest.

In the meantime, Chairman Holland said the Victory bond drive was getting away to a slow start but expressed his usual confidence that Palm Springs would maintain its perfect record of having topped every regular bond drive and a special one staged by The Desert Sun to buy a \$300,000 bomber for Uncle Sam.

BUYS FIRST BOND

Chairman Holland said that Marie Trott, a resident of the Village for 12 years, had the honor of being the first bond buyer in the Victory campaign. She appeared at the Bank of America on the first of the month and left her money there with instructions that as soon as the Victory drive opened, she wanted a bond.

Mr. Holland said that there is still much need for financing the war. There are the troops overseas and those who are in need at home.

"Just because our quota of \$381,168 is smaller than usual, it doesn't mean we can relax our efforts," he said. "Buy that bond and help preserve the victory we won!"

OPA Chief Thanks Council for Help

Paul D'orr, district OPA director, Monday thanked city council for its great aid in furnishing an office for the local rationing board during the critical war period.

"It was only by such cooperation that we were able to carry on the complicated rationing schedules," he said.

Postmaster R. M. (Pop) Gorham, recently operated upon at St. Vincent's hospital, Los Angeles, is reported recovering rapidly and expects to be back on the job soon.

Deliveries of Food by Air Sought

The air age was brought nearer Palm Springs this week when City Clerk Louise McCarn received an application from Edwin A. Roman for a business license to make wholesale deliveries of food here.

It was the first application of its kind.

Roman proposes to make wholesale deliveries of fish and poultry here by his own private plane.

The matter was referred to the council's airport committee of which Armand Tyronnet is chairman.

Give to the Chest! Palm Springs Must Not Mar Great Record

"Palm Springs shall not fail!" This is the determined slogan and goal of William B. Coburn, campaign manager in charge of the current War Chest drive, who announced at the same time that contributions to the quota of \$21,805.88 set for Palm Springs has not even approached the half-way mark necessitating the extension of time in which the drive was to have been completed.

GOING TO GET IT

"If it takes from now on till the end of the year," he declared, "we are going to work, and work and work some more until Palm Springs hits its goal."

He pointed out that the USO cannot close, services to men and women still in uniform must continue in thankfulness for the victory which they brought us and the support of this community's own poor and indigent cannot be abandoned to outsiders. Certainly, he said, the support of this community to the Boy Scouts and Girl Scouts of America who derive funds from the War Chest is a worthy and splendid cause.

FROM OUTSIDE

Mr. Coburn was lavish in his praise of the Desert Sun, declaring that publicity given to the current drive was directly instrumental in the receipt of between \$300 and \$400 in personal checks through the mails during the last week.

"The drive has only netted \$10,000 in pledges," he said, "less than half the quota. In previous years at this time the quota would have been surpassed."

CANNOT WAIT

He attributes this tardiness to the fact that many former winter residents have not yet arrived in the city. "But we can't rest on our oars waiting for them," he said.

The crying need now is the need of volunteer workers. Mr. Coburn said, "I would like to see some women workers come down and help us out a little."

Anyone interested in personally assisting in the drive is asked to telephone 5033 between 9 a.m. and 5 p.m., or apply in person at 311 South Palm Canyon drive.

Volunteers Still Needed for New Canteen Service Planned by Red Cross

Workers for the new 24-hour canteen service planned by the local American Red Cross branch at the army air base, are still needed, Mrs. Irving Snyder, chairman of the canteen committee, said today.

The canteen, to be established at the air base, will serve coffee and doughnuts to returning veterans from the Pacific front including casualties and liberated prisoners. An average of 22 planes per day land at the local port with returning combat veterans and liberated men.

The local branch of which Harold C. West is chairman, has volunteered to give these men their first welcome on returning to the states and to offer them refreshments.

It is planned to operate the canteen on an around the clock basis in four-hour shifts from 8 a.m. to noon, noon to 4 p.m., 4 p.m. to 8 p.m., 8 p.m. to midnight, midnight to 4 a.m., and 4 a.m. to 8 a.m.

Purchase of Torney Considered By City

Civic Leaders Enthusiastic Over Proposal

Members of the city council, planning commission and executive committee of the Chamber of Commerce, in a momentous session Saturday noon at the Desert Inn were presented with the opportunity of acquiring surplus government property in the Palm Springs area when the present posts are closed.

Possibility of the acquisition of the property occupied by Torney General Hospital, believed scheduled to close in Spring, was given those present.

EXPLAINS OPPORTUNITY

Before outlining the proposal to the assembly, Chairman Ransom said that the rapidity with which developments had taken place due to the sudden cessation of hostilities, had made it impossible to keep all those concerned advised with details of the proposal; but that the time had come when official action was imperative.

FAVORS PLAN

Earl Coffman, chairman of the executive committee, explained in detail how in the last week the manner of obtaining Torney hospital, grounds, buildings and equipment had come to his attention; and the measures which he had taken to assure the community the first option on this property. He had discussed the matter with Assemblyman Phil Boyd, his mother, Mrs. Nellie Coffman, and his brother, George Roberson, who all believe that the city should exercise its prerogative.

Harry Harper, Chamber of Commerce secretary, reported on his activities as the city's representative in Washington. He outlined the steps necessary for the freezing and negotiating for the Torney hospital property and 315 acres adjoining the army airport. There is an order of precedent in the disposal of surplus real estate and other government property, and that this order must be followed. The state in which the property is located has first option; the county second; the (Please Turn to Page Fifteen)

Col. Cofer, Jr. New Base C.O.

Lt. Col. Floyd S. Cofer, Jr., this week succeeds Col. Edward F. Hubbard as commanding officer of the 15th Ferrying Service station at Palm Springs army air field, it was announced today.

Col. Hubbard has been named commanding officer of the Reno army air base at Reno, Nevada.

Col. Cofer came to Palm Springs last summer and has been deputy commanding officer of the field under Col. Hubbard for the last two months.

Mayor Theriault Urges Study Of Civic Center

Mayor Eugene Theriault, commenting on the proposition that the city take over Torney Hospital from the Surplus Property Administration for a model civic center, said yesterday:

"The whole project is too big to give any off hand comment on.

"Of course it is a wonderful opportunity for the city, but like lots of wonderful things, can we afford it? I cannot say, until the council has more information for study, whether it is practical or not.

"I certainly hope it will prove to be."

New P. O. for Palm Springs on U. S. List

Palm Springs is in line for a federal building to house the post office and other federal offices as needed, if congress adopts legislation authorizing \$193,000,000 for new government buildings in the United States, according to word here from the county seat Wednesday.

It was announced that seven post office projects for Riverside county are included as eligible for construction under the bill.

PROVIDES BACKLOG

It was pointed out that inclusion of a project in the eligibility list does not mean that it will be built at once. Passage of the construction bill, however, provides for immediate needs and also sets up a backlog for other projects listed as eligible, to be built when public convenience requires.

In California 284 projects are listed, 270 of them post office buildings.

VILLAGE HIGHEST

In Riverside county, the Palm Springs project is the largest. Under the terms of the measure if passed, funds set aside for post office buildings would include:

Palm Springs	\$230,000
Corona	120,000
Hemet	110,000
Banning	105,000
Arlington	105,000
Beaumont	85,000
San Jacinto	85,000

The current issue of the Southwest Builder and Contractor reveals that Public Buildings Administration, Federal Works agency, jointly with the postoffice department, submitted proposed legislation to congress October 2, authorizing an appropriation of \$193,000,000 for federal building projects outside the District of Columbia, also authorizing money for new projects in the district.

MANY PROJECTS LISTED

Submitted with the proposed legislation is a list of 4020 eligible projects located in the states and territories, totaling \$774,795,000 from which projects totaling \$193,000,000 would be selected on a basis of urgency of need and of equitable distribution throughout the United States.

The purpose of the proposed legislation is to grant authority to PBA to purchase sites, prepare working plans and specifications and to construct all building projects essential to efficient operation of federal establishment.

Name of Air Base Here Is Changed

Due to the change in mission at the Army Air Field, from that of a training school where the operation of the C-47 airplane was taught to that of a service stop, the name of the installation has been changed from the 5th Operational Training Unit to that of the 15th Ferrying Service Station.

Council Acts to Ask Freeze on Property

Proceeding rapidly upon receipt of word that the city had the opportunity to acquire the property and equipment of Torney General Hospital when that institution is closed by the government, city council in special session Monday, adopted a resolution asking the Army to freeze all property and equipment there.

The action followed a similar resolution two weeks earlier asking the government to freeze property and equipment at the army air base here.

TO GIVE CITY CHANCE

Both steps were taken to give the city first chance to acquire the properties for civic use, the Torney property for a civic center and the air base for a much-needed airport.

Results of preliminary conversations between the Chamber of Commerce and the Federal Surplus Property Administration in regard to Torney were brought to the attention of city council Saturday and Mayor E. E. Theriault at once called a special meeting for late Monday afternoon.

ADOPT RESOLUTION

Action was brief and to the point. City Attorney Roy Colegate was authorized to draw up a resolution asking the government to

(Please Turn to Page Eleven)

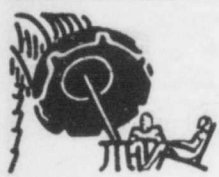

Hospital Board Supports Civic Center Proposal

Florian Boyd, chairman of the Palm Springs Community Hospital Board, said yesterday that a special meeting of the board was held Tuesday afternoon to study the proposition that the Community Hospital throw in its lot with the proposed new civic center on the grounds of Torney Hospital. A resolution was passed that the city council be notified of the Community Hospital's interest in this project and its desire to acquire useable equipment as well as a location or building in the area.

A further resolution authorized the board's architects, Harry Williams and Albert Frey, to make a survey of suitable buildings which could be adapted to Community Hospital use and that if no buildings which are adaptable are available, that a location for a new Community Hospital building be selected.

Palm Springs Calendar

- MONDAY, NOVEMBER 5:**
Fish & Game Conservation Ass'n. Meeting, Fire House—8:00 P.M.

Dept. Motor Vehicle Representative, Desert Inn Garage—9:30—4:30.
- FRIDAY, NOVEMBER 9:**
Boy Scouts of America, Boy Scout House—7:30 P.M.

Society

Club Sessions, Social Events At Desert Inn

Whether it is a business conference or a social event, The Desert Inn continues to be a popular meeting place for club members both far and near. The calendar for the past week included the annual get-together of the Fifty-Fifty Club of Los Angeles and vicinity.

Fifty members were in attendance, arriving Saturday, October 27th, and remaining until after the cocktail party and dinner Sunday evening. All arrangements for this happy occasion were under the direction of Mr. Everett Lutz, secretary of the club and resident of Garden Grove.

CLUB HOLDS BANQUET

The initiation banquet of the Junior Woman's Club of Banning was held at The Desert Inn Saturday evening, October 27th. The private dining room was reserved for this event and following the banquet the ladies were joined by their escorts for dancing.

At noon on Saturday, the 27th, the Spanish Room was the scene of the Chamber of Commerce luncheon with twenty of the local and professional men in attendance.

AA CLUB DANCES

Getting together for fun, food and frolic (no long-winded speeches) about one hundred members of the Palm Springs Chapter of the National Aeronautic Association enjoyed a delightful dinner dance in the De Anza Room on Tuesday evening, November 30. This was indeed a gala affair, with black cats and witches and bright pumpkins dominating the color scheme and Uzia Berman's orchestra supplying the music for the occasion. With the air base open to civilian flyers, Miss Louise Peel and Mrs. Clema Granger have been two very busy people this week making reservations for out-of-town members who flew down and remained over night.

In accordance with their custom for the past several seasons, the Lions, the Masons and the Rotarians have resumed their regular luncheon meeting at The Desert Inn.

DELIGHTFUL EVENT

The dinner dance in the De Anza Room Saturday evening, October 27, was a particularly delightful event with a number of interesting and distinguished people attending. Mr. and Mrs. Culver Nichols entertained on this occasion in honor of Mr. and Mrs. Edward Stamm, of Santa Barbara, who were married there in Trinity Church on Saturday, October 21. Mrs. Stamm was the former Mrs. Spencer Kellogg, Jr. of Palm Springs. The table was beautifully decorated with white gladioli and pom-pom chrysanthemums, and champagne was served with the dinner. Guests included Mr. and Mrs. Harold Hicks, Mr. and Mrs. Frederick Watson, Mr. and Mrs. John R. E. Chaffey, Mr. and Mrs. Robert Hixon, Mrs. James B. Oliver and Mr. Albert Frey.

Mr. and Mrs. J. Carrol Naish and daughter, Elaine, entertained

as their guests Mrs. John McManus and daughter, Daphne, and Mr. and Mrs. Cliff Halstead.

MANY PARTIES

Mr. and Mrs. William Stern's party included Chaplain Lloyd M. Samson, of Torrey General Hospital, Chaplain Nathan E. Barasch and Captain Norman E. Roberts of Camp Roberts, California, and Miss Carolyn E. Robinson of Nashville, Tennessee.

Mr. and Mrs. John Robertson Macartney were entertained by Mrs. Florence H. Stewart, Mrs. Mary F. Brady, Mrs. Jessie Rosenthal and Miss Jessie Fraser, all of Los Angeles.

Of particular interest was the birthday party of Mrs. George C. Audet given by her husband and attended by her son, Chief Warrant Officer Charles W. Audet, who was present at the fall of Bataan and was active in evacuating the military personnel from there. He was also at Corregidor when it fell and went to Fort Drum, the island battleship, where he surrendered on May 6, 1942. The other officer with the ribbons and medals was Captain Ray Lawrence, of the 92nd Coast Artillery, who served with the Philippine Scouts on Corregidor. Captain Lawrence was in charge of Hooker Point and his defense was so effective that the Japs were forced to by-pass his position and scale the cliffs north and south of the position in order to capture the island.

FROM OVERSEAS

Adding both charm and distinction to the occasion were Captain Rose Lieper and Captain Catherine Boles of Torrey General Hospital. Captain Lieper was at Bataan Hospital and evacuated to Corregidor. Thirty days later she was transferred to Santa Tomas and finally rescued on February 3, 1945. Captain Boles, a California girl from Fresno, spent seventeen months with the U. S. army hospital in Natal, Brazil.

Recent occupants of "Honeymoon Cottage" at The Desert Inn were Lt. (jg) Walter William Hoffman, U.S.N.R., and Mrs. Hoffman, the former Sheila Bergin, whose recent marriage in Cathedral Chapel, Los Angeles, was one of the most beautiful weddings of the year. Sheila is the daughter of Thomas M. Bergin and the late Mrs. Bergin of Los Angeles. Her husband is the son of Mr. and Mrs. Henry Hoffman of Ventura.

Mrs. Tudor Gairdner took time out from her many duties and responsibilities as president of the Women's Division of the Los Angeles Chamber of Commerce, to enjoy a brief sojourn at The Inn with Mr. Gairdner.

FROM MANY STATES

Dr. and Mrs. Julian Dow, Mr. and Mrs. W. H. B. Kilner, Dr. and Mrs. D. A. McHaughton and many other prominent Angelenos are registered at The Inn.

Visitors from other states are Lt. and Mrs. A. R. Meyer of Butte, Montana, Mr. and Mrs. F. J. Bahl, of Cincinnati, Ohio; Lt. and Mrs. J. R. Pepper, Greenville, Miss.; Mr. Elmer Todd, of the Seattle Times, Seattle, Washington; Col. and Mrs. O. F. Carlson, of Wright Field, Dayton, Ohio; Mr. and Mrs. J. R. Whitehead, of Chicago, Ill.; Lt. Com. and Mrs. John P. Quinn, of Chicago, Ill.; Mrs. Loraine Eastman, of Portland, Oregon; Mr. and Mrs. R. L. Round, of Cleveland,

Women's Club to Start New Season Monday Afternoon

Beginning a new season with an exciting line up of programs for the coming year, the Palm Springs Women's club will open its doors Monday, November 6, at 2:30. Speaker for the afternoon will be John Baird.

Mr. Baird is known to many as the Philharmonic commentator on K.M.P.C. He is also a noted book commentator and newscaster and has had a meteoric career as a speaker.

WINS MANY HONORS

As a senior in high school, he was selected as one of the five outstanding students in the country in oratory to make a national tour. In college, he toured eleven western states as head of his debating team and leader in extemporaneous speeches, winning the highest honor awarded by the National Forensic.

A very versatile person, Mr. Baird was recently discharged from the A.A.F. and, being an interpreter of youth, has chosen the subject "Youth Faces Tomorrow" as timely and of interest to every club member.

TALENTED SOLOIST

A added attraction to the program will be Mildred Gibson, soloist. Miss Gibson, who is an alumnus of the Palm Springs high school, was awarded a four year music scholarship at the University of Redlands where she is now a senior. She has appeared many times for local groups and was soloist at the Easter Sunrise services during her freshman and sophomore years. Miss Gibson will be accompanied by Lois Lux, well known local pianist. Members of the executive board will preside over the tea table.

Mrs. John Sprague, president, is anticipating an even greater attendance at meetings this year due to the interesting and well planned programs and the increase in new members.

Caltech Professor And Wife on Visit

Prof. and Mrs. Harry Bateman of Pasadena were house guests last week-end of Mr. and Mrs. Sam Molin.

Professor Bateman is on the faculty of the California Institute of Technology at Pasadena.

Beach Residents Guests of Mayor

George T. Wyant and Helen McLean of Long Beach are guests at the home of Mayor and Mrs. Eugene E. Theriault.

Mr. Wyant is recently of the United States army.

Ohio, and Mr. and Mrs. Elton F. MacDonald and son, of Detroit, Michigan.

From London, England, we have Captain Jeffery Wolfe, of the Royal Air Force, and from Mexico Lt. R. E. Battles, of the American embassy.

Bob Hull Now Pleasing Them at Mike Lyman's

Bob Hull, who for several years delighted patrons at the Royal Palms' Rainbow room with his superb organ music, is now pleasing diners at Mike Lyman's Hollywood cafe, on Vine, just off Hollywood boulevard. Hull is playing matinees daily from 2 to 7 p.m.

Many villagers who have business in the Hollywood area are making it a point to go in and hear his music.

Hull, while here, picked many tunes which made the top of the Hit Parade and his library is constantly kept full of the numbers he believes will be tops—and they usually are.

Large Gathering Out for Opening Of Colonial House

The opening night at the Colonial House last Friday proved to be one of the most entertaining and successful in the history of the popular hotel.

Jules and Webb's band provided the dance music, intermingled with audience participation and mental telepathy which surprised and amazed the large number in the newly decorated dining room.

RITZ GETS RITZY

Impromptu numbers were staged by the famous Ritz Brothers, who are guests at the hotel.

Connie Barleau, Palm Springs' songbird, delighted everyone with her unusual interpretation of the latest song hits.

Many famous screen personalities were present.

The same high class entertainment will be a feature every night except Monday.

Prominent guests at the hotel this week were: Mr. and Mrs. Emil Stern, the Chicago theatre magnate; Mr. and Mrs. H. H. Rogers of the Rogers Oil company of Hollywood; Mr. and Mrs. Don Hanke of the Club Donroy, Hollywood; and Ralph Schoenfeld of Tacoma, Washington.

Honeymooning are Harry Ritz and his bride, and Lt. and Mrs. J. Walker, U.S.N., of Altadena, Calif.

La Paz Will Hold Special Preview Affair Saturday

La Paz Guest Ranch is holding a special preview showing Saturday evening for a group of invited guests from Palm Springs and Los Angeles. Mr. and Mrs. James Fouch, owners, will receive with Miss Ruth Sougey, manager.

The affair will be in the form of a cocktail party followed by a smorgasbord supper.

La Paz opens this season joining the list of smart guest establishments in Palm Springs. For the past few years the exclusive ranch has been used as an officer's quarters for fliers of the ferrying group and 5th O.T.U. army personnel.

Mrs. Elizabeth Fenton, mother of Leslie Fenton, noted producer, is the guest of Ned Williams, Southern Pacific agent here, and his mother at the Casa Cody.

Eastern Star Club To Open Season at Luncheon Nov. 13

The Palm Springs Order of Eastern Star club will hold its opening luncheon Tuesday, Nov. 13 at noon at the Desert Inn. All members of any chapter of the Order of the Eastern Star and eligible relatives of Masons interested in joining the order are cordially invited to this luncheon. The club plans to hold its meetings at the Desert Inn the second Tuesday of each month during the entire season.

President Florence Murphy is planning to have many distinguished and interesting speakers at each luncheon. She also has many other social events outlined for the coming months. The club plans to work in conjunction with the Masonic club as it did last season.

Several members of the club attended a delightful Halloween party last week given by Coachella Valley Chapter No. 360 Order of the Eastern Star.

Eastern Star members are asked to call 6544 for information and luncheon reservations.

Pay your telephone bill before the 30th and receive a discount.

ANTICIPATION—Men of the Army Ground Forces staff at Torney General Hospital smile over army discharge papers in anticipation of the day when they will receive similar documents. Left to right are Pfc. Clement Dunbar, T/4 Leigh King, and Pfc. Francis B. Hayes. (Official U. S. Army Photo.)

Torney AGF Staff Busy Answering Flood of Queries

More than 3600 men of the army ground forces have consulted the AGF liaison office at Torney General Hospital during the last 23 weeks, according to Captain Robert Odell, chief of the department.

Principal requests from hospitalized soldiers concern the securing of information to complete service records, frequently with regard to earned awards and citations, he said this week in reporting on activities of his office.

Working in close cooperation with the military personnel branch, the detachment of patients, the personal affairs office, and other hospital branches the AGF staff initiates action pertaining to AGF matters for the soldier with a problem, or refers him to the office set up to handle his particular type of inquiry.

To further facilitate the work of the AGF office, three additional enlisted men were added to the staff this week. All formerly served in combat medical units with the 10th Mountain division, the only division of its kind to see action with United States forces in World War II.

In the recently assigned group are Sgt. Wm. F. Halsey of Mouth of Wilson, Virginia, fifth cousin of Admiral Halsey; T-5 Michael Fark of Warren, Ohio, and Cpl. Elvio Del Monte, Unica, New York.

If all the LSTs put in service at the Naval Repair Base in New Orleans were placed end to end they would form a solid wall of landing craft 45 miles long.

Plans for Armistice Day Program To Be Held Here Sunday, Nov. 11, Made Public by Legion Committee

Plans for Armistice Day observation here Sunday, Nov. 11, laid by Joseph Omlin of the Owen Coffman post of the American Legion, provide for the celebration to be held near the Fiesta House of the Desert Inn.

Father Thomas M. Reardon, Naval chaplain who was the first to go ashore on Guadalcanal Island as the U. S. Marines landed, will be the speaker at the program. The event will touch off the city-wide appeal for \$75,000 to construct a war memorial building.

UNVEIL HONOR ROLL

Another outstanding feature of the program will be the unveiling of a big honor roll listing the names of 389 men and women who served in the armed forces of the late war from Palm Springs.

Meanwhile arrangements are being pushed by the War Memorial Committee, headed by Gordon Feehings as general chairman, for the city-wide campaign for the funds needed to construct a veterans building on property acquired last year by the Legion post. The Armistice Day observance will be the "kick-off" of this appeal which is expected to receive generous support from the townspeople in their desire to honor the living and dead of the World Wars. The building not only will serve as a meeting place for veterans but will provide the city an assembly hall capable of seating 800 persons, according to Jack Holditch, building chairman.

COMPLETE COMMITTEE

The War Memorial committee is being completed this week and several meetings are planned prior to Nov. 11 to acquaint the workers with the goal of the drive, according to Chairman Feehings. During Mr. Feehings' absence from the city this week his work has been handled by Al E. Hoover as vice-chairman.

Father Reardon now is serving as chaplain of the Naval Hospital installation at Yosemite National Park. His commanding officer, Capt. Reynolds Hoyden, medical corps U. S. Navy, will

accompany him here and introduce him at the Armistice program. Arrangements for the two officers' visit to Palm Springs were made by Earl Coffman, manager of the Desert Inn, whose guests they will be here from Nov. 9 to Nov. 11.

FIRST ASHORE

Father Thomas Matthew Reardon was the first chaplain to go ashore with the First Marine Division at Guadalcanal, and the first to return to tell of the experiences during the early days of the fighting on that island.

Born in Jersey City in 1909, Father Reardon graduated from Seton Hall College in South Orange, New Jersey. Enlisting in the Navy before Pearl Harbor, he attended Chaplains' School at Norfolk, Virginia, and was assigned to the First Marine Division in the initial invasion of Guadalcanal.

FOR FOUR MONTHS

He remained at his post of duty for four months, being the only Catholic chaplain for the first two and a half months.

Between the time of going ashore and the time of his departure, he had many duties, and observed many incidents that reveal to statesiders the grueling life of those marines. The first mass was celebrated two days after the invasion, but there were many collateral duties. He dug the first grave and buried the first man on Guadalcanal. Frequently, during bombings, he was obliged to use the fresh graves as foxholes.

GOES TO HOSPITAL

He was carried off the island unconscious, suffering from a streptococcal infection and malaria.

After hospitalization, Father Reardon was assigned to the U. S. Naval Hospital, Brooklyn, N. Y., and more recently to the U. S. Naval Special Hospital at Yosemite National Park, California.

Father Reardon has been featured in "Guadalcanal Diary", as well as on radio programs, such as "Cavalade of America" and "We the People".

Soldier, Who Found Time Between Battles to Write Prize-Winning Book, Awaits Discharge at Post Here

Sergeant Joseph E. Greene who found time while in the army since June, 1942, to write and win a \$2500 prize offered by Macmillan for the best book written by a service man and recently published under the title of "Not in Our Stars" is scheduled to leave the 5th Operational Training Unit, Army Air Field here for separation center within the next few days.

Literary critics throughout the United States acclaimed the book and predicted almost unanimously "Not in Our Stars" would be among the best sellers during the next year. It has already been reported that sales are better than expected. The literary critic of the New Yorker, the Saturday Evening Review of Literature and others praised the book highly.

In the army, the sergeant-author served for six months in Italy where he earned for himself the European Theatre ribbon with four battle stars and the good conduct medal. And although Greene was a graduate of Brown University where he was elected to Phi Beta Kappa, and had attained something of a name for himself as an author, he was selected for training as a Link-trainer mechanic.

He claims as his home Washington, Conn., where his wife, the former Elizabeth De Courcy and his mother, Mrs. Warren E. Greene reside. When he becomes a civilian again, he plans

Death Takes Visitor Here

William D. Reeder, 58, of Wenatchee, Wash., succumbed as result of what a preliminary investigation termed a heart attack on South Palm Canyon Drive early this week. With his wife he was on a visit here, living in his trailer at Orchard Trailer camp.

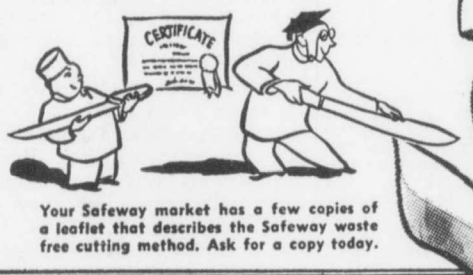

Police were notified Monday that a man was seriously ill near the southern end of the drive. A squad car went to the scene and found Reeder in a state of collapse. Dr. I. W. Lynn and the fire department oxygen squad were summoned but all attempts to revive the man failed and Dr. Lynn pronounced him dead.

to return to Connecticut and finish another novel which he has already started. After that his plans are indefinite, he said.

EXCESS BONE AND FAT ARE CUT OFF SAFEWAY MEATS BEFORE WEIGHING

SAFEWAY gives you more tender meat, pound for pound, because every piece of Safeway meat is cut a better, more selective way. At our Central Meat Plant, experts carve meat into perfect large pieces, remove excess bone and waste. From these bulk cuts, skilled meat cutters at Safeway markets slice chops, steaks and roasts of the exact thickness you prefer. Waste fat and bone are removed before your purchase is weighed.

But that isn't all we do to bring you finer meat. To begin with, Safeway buys just the top grades of beef, lamb, pork and veal. These are properly aged to develop utmost tenderness and flavor. No wonder Safeway guarantees you tender, juicy meats every time—or your money back.

Your Safeway market has a few copies of a leaflet that describes the Safeway waste free cutting method. Ask for a copy today.

FOR INSTANCE, HERE'S THE USUAL CUT OF T-BONE STEAK:

Usually T-bone steaks are sold with a long "tail" of tough meat. Excess bone and fat are removed AFTER the steak is weighed.

BUT... HERE'S A SAFEWAY T-BONE STEAK! Just the choice-cut portion goes on the scales at Safeway! Excess bone and fat are already cut off.

NOTE THESE VALUES IN TOP GRADE MEATS:

T-BONE STEAKS

Also Porterhouse and Club Steaks, Grade AA or A. (5 points per lb.)

lb. 50¢

It seems to me

AFTER following
THIS guy Phat around
ALL evening
WATCHING his eyes
light up
AND his feet get fidgety
EVERY time someone
STARTS hammering a piano
OR humming a tune—
THAT Phat
IS just plain nuts
ABOUT music.
AND besides he knows
A good tune
WHEN he hears it.
DON'T know why Phat
GOT into this column
BUT there he is.
SUPPOSE now is a good
time
TO tell you that
THERE is going to be
A Fulton's Shop for Ladies
VERY, very soon.
WE intend to carry
SPORTSWEAR, tailored
dresses,
SUITS and coats:
AS it is in the Men's Dept.,
THE ladies' Shop will
feature
THE smartest available—
AND if it isn't available
WE'LL get it anyway—
WHAT I'm trying to say is—
WE think you are going
TO be pleased with
THIS new addition
TO Fulton's
NOW just a word about
STYLES for Men
AS featured in the Men's
Dept.
WE have some all-wool
sun shorts
IN several different colors
AND materials—
THEY fit
LIKE a million dollars—
SOME Hand Tailored Shirts
AND Slacks that are terrific
FOR style—fit and comfort.
COURSE we don't have
A great big stock
BECAUSE things are
A little hard to get
BUT we do manage to get
THE BEST.

**Don Auble Back
At Royal Palms
After Four Years**

Returning to Palm Springs after an absence of four years, Don Auble again delighted patrons at the Rainbow Room of the Royal Palms hotel last night, and with Ellen Sutton, will open a regular engagement tomorrow night.

Auble was at the piano in the Rainbow Room in 1941 and since that time has been in some of the biggest spots in the country.

Miss Sutton was with the Camel Caravan for many months and her singing last night won great applause.

Shirley Webb, Hammond organist, who has been pleasing patrons at the Rainbow Room, has moved over to the new Rolly Room of the Royal Palms hotel.

**Anyway, It Was
Cool This Week**

Well, it's a good thing it is winter.

People can't say that it was the excessive heat that did it for there was no excessive heat.

Anyway, the maximum side of the thermometer went out of order this week so all that is on tap is the minimum. The week's temperatures, minus a few maximums, follows:

Oct. 25	95	44
Oct. 26	96	45
Oct. 27	—	47
Oct. 28	—	50
Oct. 29	—	53
Oct. 30	—	59
Oct. 31	—	63

**300 Boys and Girls Enjoy Games and
Theater Party on Hallowe'en Night
Under Auspices of Boys and Girls Club**

Any acts of vandalism perpetrated in the Village Wednesday night, Hallowe'en, was not the work of 'teen-age youngsters, for they were at the Torney General Hospital gymnasium playing games and competing in athletic events if they were boys, and at the Palm Springs theater enjoying pictures, if they were girls.

The two parties staged Wednesday night, arranged by the Boys and Girls Club, under auspices of the Palm Springs Lions Club, were attended by almost 300 youngsters who were taken to their homes at 10:30 p.m. after an enjoyable evening of fun and refreshments.

BOYS AT TORNEY

Approximately 160 boys were transported to the Torney gym by Tanner Motor Livery busses under direction of Cecil Isenagel at 6:30 o'clock. From then until 10:30 they played games and competed in various athletic events under direction of Vic Jensen, physical recreation supervisor at Torney. Jensen also gave exhibitions of Judo and jungle tactics. He was former instructor in the U. S. Marine corps. Jensen was assisted by Sgt. Marty D'Volve and Leo DuValle. A boxing match between Frank Prieto and Robert Marques highlighted the program.

Frank Partridge, chairman of the Boys and Girls committee of the Lions Club was in general charge of the two parties with Chief of Police August G. Kettmann rendering able assistance.

Helping Partridge and the chief at Torney were Earl Hough, Clinton Bowers, Johnny DeVine, John Weeks, George Novak, John Kline, Barney Fikes, John Tuttle, Harold West, Culver Nichols, Scott Thompson, Joe Butler and Jim Henderson. The use of the gym was made possible through the courtesy of Col. A. B. Jones, commanding officer at Torney.

In charge of the theater party, attended by 120 girls, were George Strebe, Norval Kelley and Al Weingarten. The theater party was presented by Earl Strebe, owner of the Palm Springs and Plaza theaters.

Refreshments for both boys and girls parties were donated by Johnny DeVine and the Doughnut shop.

THANKS BOYS, LIONS

Chief of Police Kettmann today expressed his high appreciation of the cooperation of the Boys Club and the Lions Club in aiding the police in handling the Hallowe'en situation.

"The boys of the city, with the encouragement of the Lions, probably saved the merchants of the city several hundred dollars in eliminating all acts of vandalism. And they all had a swell time while doing this."

before me, Eugene E. Therleau, Notary Public in and for said County and State, personally appeared T. GRAHAM, known to me to be the person whose name is subscribed to the foregoing instrument and he acknowledged to me that he executed the same.

WITNESS my hand and seal at my office this 30th day of October, 1945.
EUGENE E. THERLEAU,
Notary Public in and for County of Riverside, State of California.

**Windhurst Opens
Own Shop Here**

E. C. "Elly" Windhurst, former service man with the local power company, is now operating his own electrical service, specializing in electrical contracting, maintenance and repair.

Elly is well known in the Village, having been here for over nine years. He is now employing three men in his shop, while Mrs. Windhurst handles the clerical work.

**Well Known Winter
Residents Return**

Mr. and Mrs. Bert McGovern, well known winter residents of Palm Springs, who have been coming here for years, are back in the Village for a two week visit. Mr. McGovern is a prominent figure in the northwest's fish industry. Their home is in Seattle.

They plan to be here for two weeks to obtain a house for the winter and will be back here with their children on January 1.

Upkeep and improvement of Alaskan highways to a cost of \$5,200,000 annually has been granted to the Alaskan road commissioner.

Post-War Peace

By Ethel Gillett Whitehorn

The world's oldest theme song is entitled, "In Time of Peace Prepare for War." It was copyrighted by ancient war lords many years before the birth of Christ. As far back as 450 B.C., Herodotus, the famous Greek historian, talked and wrote about this gun-accompanied melody. Down through the ages, many statesmen, seated at peace conferences, tried—or thought they tried—to change the title of that grim song to read, "In Time of Peace, Keep the Peace." But every attempt was a failure.

Today—in this mid Twentieth century, when all mankind could and should be enlightened, the same old title is in force. President Truman, in a recent speech before the congress, urged the enactment of the Military Compulsion bill which, if passed, will keep America armed to the teeth for many years to come. Not only must the youth of the nation give one full year of their lives to military training, but, according to the Truman plan, they must also have an added year of training after they complete their college education. That is the way Hitler and Mussolini did things. It isn't the American way, not by a wide margin.

The American people desire to keep our country strong. Only a very few of them would object to making military instruction a part of the regular curriculum in our public schools. However, the regimentation of youth as outlined by President Truman, and raved about by Mrs. Eleanor Roosevelt, is something that all parents should carefully consider. If the millions of American mothers and fathers wish to keep the peace in time of peace, they should notify their congressmen who enact our laws. They should tell them definitely how far along they will go—if at all—with this Military Compulsion bill.

How can we—the most powerful nation on earth—destroy the germs of war in other nations when our president announces, for all to hear, that our youth must be trained to the nth degree? Does not such an announcement breed suspicion, fear and hatred in other nations? What is going to prevent them from arming, too, when they see America, always an advocate of lasting peace, going ahead with militaristic plans?

**Go Through War
Unscathed, Meet
Death on Desert**

Two men who went through months of air combat unscathed, met death on a peaceful mission over the desert near Indio Wednesday afternoon when their craft crashed two miles east of Thousand Palms, 200 yards south of Highway 99.

They were Capt. M. E. Moore, 24, of Ontario, Calif., and Technical Sergeant Ralph H. Wahlman, 25, of Willisville, Ill.

The victims, who were assigned to the military personnel procurement division in Los Angeles, were flying an airplane based at San Bernardino Army Air Field, and were on a routine training flight when the crash occurred. Cause of the accident is now being investigated by a board of qualified army officers. The plane was totally destroyed upon impact, after which the wreckage burned. The occupants, however, were thrown clear.

Both men were combat returnees. Capt. Moore served in the South Pacific as a P-38 pilot and squadron leader, and had three Japanese planes to his credit. He held the Distinguished Flying Cross, the Air Medal with five Oak Leaf Clusters, the Asiatic-Pacific theater ribbon with five battle stars, and the Philippine Liberation Ribbon.

Technical Sergeant Wahlman served in Europe with the infantry and was captured by the Germans in Belgium. Liberated by the American forces, he served as an instructor at an advanced infantry school in New York state before being assigned to duty in California.

30 Village Boys Take Active Part In Scouting Work

Troop 39 of the Palm Springs Boy Scouts has been active since September 27, with some 30 boys in regular attendance. Meetings are held at the Scout Hut on Thursday nights at 6:30. Scott Thompson is acting scoutmaster with Harvey Gorcester as junior assistant scoutmaster and Robert Higgins as senior patrol leader. The troop will be reorganized November 8. Old scouts and new scout candidates are invited to attend troop meetings.

Troop 39 tied for 7th place at the annual county Pow Wow at Riverside last Saturday, winning four third place ribbons. The troop entered two or more teams in all events except fire by flint and steel. Twenty scouts were present for Troop 39. They were: Gorcester, Higgins, Hillery, DuBose, Carey, Wills, Nichols, Sale, Thompson, Whitehead, Vajsabel, Miller, Graefe, C. Bond, Parker, Fougé, A. Bond, Ward, Nicholas, and Alan Anderson went as photographer.

POW WOW PLANNED

The troop will hold a Pow Wow with Indian troops during this month, the date to be announced later.

The Green Bar patrol (all troop and patrol officers) will meet at the Scout Hut Tuesday, November 6, for leadership training under the scout executive from Riverside.

The troop wishes to thank Cecil Isenagie, Bill Carey and Coach Thompson for providing the three cars for transportation for the Pow Wow.

SANARD THANKED

Prominent Local Winter Resident Dies at Home Here

Jesse Dale June, member of a pioneer Oak Park, Illinois family, who has lived in Palm Springs for the past five years, died Wednesday at his residence, 1028 El Alameda street, after a lingering illness.

Born in Oak Park, Illinois, where he lived until his marriage, he moved to California where he could have the out-of-doors life of which he was very fond.

His father was the late Frank T. June, founder of the National Sewing Machine company of Belvedere, Illinois, and one of the founders of the First Baptist church of Oak Park, Illinois.

Mr. June was very fond of music and an excellent pianist. He was a graduate of The Conservatory of Music of Ithaca, New York.

Surviving are his wife, Isabel June, and a brother, Paul S. June, of Jacksonville, Florida. He was the brother of the late Mrs. Douglas Smith of Winnetka, Illinois, and Frank H. June of Oak Park, Illinois.

Charles Henderson, manager of Sunshine Court, who underwent an operation at Loma Linda last week, is making excellent progress toward complete recovery and will be back in the Village shortly.

thusiasm for scouting out that direction.

Lyle Sanard, former scoutmaster, is leaving for northern California and the troop wishes to take this opportunity to gratefully thank him for his work and interest in scouting in the past years.

From Head to Toe

By BARBARA K. SCHILLY

Perhaps, per capita, the women in Palm Springs wear more clothing of the two-legged variety than any other place . . . consequently, it's time that pants attire has its place in the "Sun," too.

Trousers (pants, shorts, slacks . . . what have you) are now being worn in all possible lengths and variety . . . from the very short shorts to full length slacks . . . and now, a few entirely different styles have entered the field . . . too new to predict whether they will become as popular as other deviations in the pants world (remember how people raised their eyebrows at pedal pushers?) . . . but they are still worthy of discussion.

NEW DEPARTURE

For example . . . there is a new type of slacks . . . that really bear no resemblance to slacks, however . . . some call them "dancing master tights" . . . some call them "toreador pants" and they look like both. They are completely departed from the conventional slacks . . . in that (1) . . . they are very tight and snug fitting . . . (2) . . . they come to the knee and fit tight around the knee (not loose such as short slacks) . . . (3) . . . they just aren't "slacks," but are tight . . . giving a general appearance of the trousers the 17th century gentlemen used to wear. Some are in plain colors . . . some are a checked knit . . . some are even two toned . . . one leg one color, the other another . . . and a contrasting sash around the waist. The materials vary . . . sometimes a wool jersey . . . gabardine or light weight wool. Wear them with the new ballet slippers or Greek sandals . . . but wear these tights only if yours is the lithe figure . . . The high school girl will probably become a great fan of this novelty in slacks . . . that is, when she gets in the mood to forget her Levis and loud shirts.

ANOTHER NEW STYLE

Another style that is just beginning, but that will undoubtedly gain a wide clientele . . . are the very new . . . very comfortable . . . and very Palm-springish "hostess shorts" . . . closely resembling hostess pajamas . . . worn for the same purpose . . . and very much the same except that the length differs . . . they come to just above the knee. The shorts are very much like ordinary ones . . . being simple and tailored . . . but rely upon fabric . . . novel touches and accessories for the resplendent touch. Have seen them out of velvet . . . a heavy satin . . . faile material, etc. . . complimented by a beautiful rich blouse . . . (made to go with the shorts . . . or completely contrasting). Then, add much chunky jewelry . . . platform soled shoes . . . and aside from being the most gracious, be the smartest hostess.

Plaza Theater Offers Children New Features

Special morning matinees for children will be inaugurated tomorrow at 10:30 a.m. at the Plaza theater, Rudy Buchanan, manager, said today. These matinees will start each Saturday at 10:30. School and theater will cooperate in presenting selected films, both educational and entertaining, in conjunction with a stage show featuring local youngsters.

These children will be given an opportunity to display talent under the direction and supervision of Holly Lash Visel and Roy Randolph.

FREE LESSONS

Sponsors feel that these shows will create considerable enthusiasm and fun for the children participating as well as those in the audience.

Through the courtesy of the Plaza theater special arrangements have been made with Roy Randolph's studio for free dance instruction for children before the show at 9 a.m., also coaching to advanced students.

SPECIAL OPENING

Children wishing further information on the morning matinee or on taking part in the shows are urged to call 7384 after 1 p.m. daily or see the manager at the Plaza office during regular evening performances.

At tomorrow's initial showing, Leo Rojo, noted Village pianist, will play and there will be a magician to perform for the youngsters.

Double Feature Celebration for Local Girl Scouts

In commemoration of 1945 National Girl Scout week, which started Sunday and ends tomorrow, Girl Scouts of Palm Springs will gather in a double-feature celebration next Sunday afternoon on the Mashie court on the Desert Inn grounds.

The occasion will mark the close of Girl Scout week and also the birthday of troops 1, 2 and 4 of the local Girl Scouts.

The party will be staged from 4 to 6 p.m. with a "nose-bag" supper. There will be a campfire and games and songs. The program will open with the singing of the Girl Scout hymn. Joan Baker and Celeste French will be the flag-bearers in the traditional Girl Scout ceremony. Parents of Girl Scouts and girls of Scout age are invited.

Gay Hallowe'en Party at Visel Home Wednesday

Hallowe'en games and refreshments around a roaring bonfire were highlights of a Hallowe'en party Wednesday night at the home of Mrs. Holly Lash Visel.

Hostesses for the occasion, which feted a number of the Village younger set, were Mrs. Emil Wagner and daughter, Carol Ann; Mrs. Yula Moore and children, Peggy, Barbara and Jay; Mrs. Faye Robinson and son Ted, and Mrs. Visel and sons, Nelson and Jon.

The children came in costume and after parading around the bonfire took off their masks and introduced themselves. Following this they took a tour of the entire Santa Rosa tract with "trick or treat."

Invited guests included Jean Fouch, Sue Cooper, Elaine Cooper, Carol Maloof, Carl Groth, Wendell Veith, Laurence Purnell, Sandra and Sarah McDonald, Donna Lou Hooks, Jimmy McRory, Jack McDonald, Ed Masin and Ed Griffing.

Only for Veterans Here Before War

That the city's recently-adopted resolution providing a reduction in business license fees for returning war veterans applies only to those who have been in business here before and is on a renewal basis, was emphasized Monday in two actions by city council.

Application of Ingmar Grude for a reduction in license fee was denied as he had not been in the same business here before while that of George Kreimer, brick-cement contractor, for a reduction was granted as he is taking up his business where he left off when he entered the service.

Legion Auxiliary Dinner Postponed To November 14

The membership dinner of Owen Coffman Unit, American Legion Auxiliary, which was scheduled for the Desert Inn November 7, will be held November 14 instead.

Mrs. Arthur B. Hanell, state vice president and membership chairman; Mrs. Frank T. Stump, department education chairman; Mrs. Matie Rolling, department national news chairman; and Mrs. Nellie Sollinger, 21st district president of the Auxiliary, are to be honored guests. Because of conflicting dates in their official engagements the change was necessary for the dinner here.

BY NOVEMBER 10

Mrs. Henry Menard, local membership chairman of the Auxiliary, will accept reservations for the occasion, telephone 4872. Reservations must be made by November 10. Both new and old members of the Auxiliary will be welcomed by the officers of the local organization. Winter residents and guests of the community who are members of other units, or who are eligible to become members, are cordially invited to attend the dinner.

PLANS DISCUSSED

An executive board meeting of the unit was held Wednesday evening at the home of the president, Mrs. Charles V. Knupp. At that time plans for future unit activities were discussed.

A regular meeting of the Auxiliary will be held Wednesday, November 7, at eight o'clock, at the Desert Inn Fiesta House.

Finds Honest Man, But It Was a Cop

Duane Skinner, 26, essayed the role of Diogenes when he picked up a lantern and went down the street in search of an honest man. But the lantern was a red one and had been guarding an obstruction on the sidewalk so when he found his honest man, it happened to be a policeman, too.

Skinner paid \$10 in Judge Guy Pinney's court.

High School Plan For Expansion Is Winning Praise

By CONI TILGHMAN

P.S.H.S. has this year received many compliments from varied sources on the appearance of the school and on the future plans for expansion, as shown in the master plan.

Dr. E. E. Oertel has reported that literally dozens of parents, patrons, officials, visitors, and business representatives have remarked on the attractiveness of the building and grounds. It has been said to be one of the nicest of the smaller schools.

The future plans are for another building like the present one. It is to be built very soon. A swimming pool and a memorial auditorium are to be built as soon as possible. The uncompleted portion of Palm Springs high school, as shown in the master plan in the school handbook, will follow the same architecture as the original buildings.

The handbook for students printed by the Palm Springs board of trustees this year has been so popular that barely enough copies remain available for new students that will be entering P.S.H.S. during the year (45-46). It is planned by the board of trustees to print a revised edition each year. Many former students have commented on the book and on the master plan which is shown in it. The whole plan is expected to be carried out in the not-too-far-distant future, depending upon the growth of Palm Springs. The finished plan will also have a junior college that would draw students from the area surrounding Palm Springs.

New Tennis Club Is Established

This year Palm Springs high school has established a tennis club for all students (boys and girls) who want to learn the game and make the team. Mr. J. Weeks is advisor and coach and from all appearances he'll be able to help all a great deal.

The first meeting was held on Tuesday and Don McLearn, senior, was elected president of the tennis club. The aim of the club is to have everyone play tennis, mainly for the enjoyment of the sport. Hopes are high this year for a good tennis team and retain the school's championship over Banning, Beaumont, and Coachella.

Girls Glee Club Meets for Party And Rehearsals

The Girls' Glee club met at Marilyn Crockett's home recently for a Halloween party. The girls worked seriously at the beginning in preparation for the coming programmes. Later Marilyn served delicious refreshments—cakes made by none other than the hostess. Talk—talk, and then some more, took up the remainder of the evening. The girls are all looking forward to their next meeting.

The Glee club is presenting its first programme this Thursday evening for the Public Forum at the Frances Stevens school. Next Sunday the girls will sing for the patients at Torney General Hospital.

The music appreciation class is now studying the life and music of George Gershwin, preparatory to seeing the movie, "Rhapsody In Blue."

Class Assembly Dates Revealed

Dates of class assemblies was announced in the auditorium during the weekly student body assembly activity period last Thursday. The seniors will give their assembly first, December 6; the juniors follow, January 31; sophomores, March 7; and the freshmen, April 18.

It has been the custom of Palm Springs high school to give each class a chance to show any talent or ability a student may have in that group. Also it gives every person in the student body an opportunity to appear before the entire group. Dr. Oertel, who announced the dates, urged the classes to start planning far enough in advance to have a well-prepared program.

For Essential Transportation—U-Drive Cars. Phone 4444.

Chief Addresses School Assembly

Village Police Chief A. G. Kettmann, before a special assembly on Tuesday, October 30, outlined the traffic regulations on Ramon Road and in town; warned against the usage of firearms within the city limits and presented a program of supervised activities which the city would sponsor for the school children on Halloween night.

The plan prepared by Mr. Kettmann would provide for a special movie to be shown all girls, at the Palm Springs theater, and an evening of athletic activity for all boys, at the Torney hospital.

Student Officers Attend Corona School Session

John Wilson, student body president, and Tom Peterson, athletic commissioner, were invited to Corona by the Riverside County League to represent Palm Springs in a conference of the league schools, on Monday, October 22. The function of the group attending was to establish a code of ethics whereby better sportsmanship and fair play would be urged among county schools.

Eight points were drafted into a basic constitution which will help to attain those ends. These are: (1) Cooperation with song and yell leaders; (2) the treatment of opponents and officials as guests; (3) the interchange of courtesies between bands, yells, student bodies and opposing players; (4) the refrain from booing officials and opponents, and acceptance of all official decisions; (5) no before or after game vandalism; (6) the refrain from cheering or noisemaking with the intention of interfering with the contest; (7) no throwing of material or objects; and (8) to observe the other school's field rules.

It was suggested that in order to promote greater enthusiasm in the project that a trophy be awarded the school which has shown the greatest amount of co-operation.

A second meeting to further discuss the problem will be called at Elsinore on November 19.

Alumni Members Return to Look Over the Scene

During the first six weeks of the 1945-46 school year some 34 alumni have returned to their old stamping grounds at P.S.H.S. for short visits with teachers and friends left behind.

At the Beaumont game last Friday three former cheer leaders led us in the locomotive. Trudy Sawyer '45, Artie Lee Butler '44, and Barbara Emigh '45. Also seen at the game were Pat Holderman '44, who is in her junior year of pre-med at S.C., and Mrs. Betty Neese Guyer '44. Bob Hann '45 was there too, enjoying a seven-day furlough before entering Cal Tech for V-5 training. And there was Art Jones taking pictures of the game, probably dreaming of the games last year.

All the alumni turn up at the games or dances. Have you seen Cecil Morris, Lola Lee Lilley, Warner Moore, Marge Walker, Violet Fletcher, Billy Hind, Barbara Inman, Eric Libeneau, and Mary Ann Gorcester, all of class of '45?

Bob Lineau '45, former A.S.B. P., visited school a few days before reporting to the navy. Bob Bell '45 was here a few days before school started while visiting his parents. Van Linkletter '43, has been discharged from the navy and has been around the campus.

Some of the former students seen chatting about old times are Jo Kink, Mary Corman, Barbara Knowles, Donna Crockett, March McCann, all of class '44; Al Adolph, Skip Selinger, Marion Hohl, Bob Belyea, Helen Handbury, Nan Dittenhofer, and Marti Robinson of the class of '43.

It's swell having them drop in to see us and so far it seems like old home week.

Grades Given Out And Student Body Gets First Shock

By DICK CHARLESTON

Well, kiddies! The grades are out! Betcha didn't think Father Time could move so fast. Outside of that tremendous store of knowledge that you have amassed during these past weeks, how much did you actually know the day dear "Ole Teach" gave the exam?

I'll bet members of Mr. Summers biology class even saw protozoans in their dreams the night before the big test. As for Mr. Week's world history class, they probably would have taken your word for it if you had said that Napoleon had crossed the Delaware and Washington was a great French general.

And say, what's Palm Springs high school going to do for a football team if all of the first string flunked out? Let's hope you guys made it. You know you have to have passing grades in four subjects (or is it three?) to be eligible, boys. I can see poor Coach Thompson directing a one-man team against our powerful E.R.C.L. opponents—can't you?

Say gang, what about the little notes that have been in evidence in the study hall saying you haven't done your homework? Have you seen the look of chagrin when one of the bearers must have them signed and does his work? As for cramming, I don't recommend it as a steady diet.

Well, cheer up kids, maybe some of you in the next six weeks can change those F's into A's—huh? I hope—I hope—I hope.

May We Introduce . .

By Bernie Doyle

This newly-acquired member of our faculty was born in Spokane, Washington, sometime in the not too far distant past (she wouldn't talk—isn't that just like a woman?). She attended school in Portland, Oregon and her alma mater is Reed college in Portland.

This is her seventh year of teaching, although in 1943 she was a secretary in war production training radio school, and in 1944 a secretary for War Food Administration, Lend-Lease to Russia.

In September, 1943, she married an army technical sergeant in Manila with the 29th Topographical Engineers. He left last June for the Philippines but she is looking forward to his early discharge after having served almost five years.

She states that her future will probably be spent atop a lofty mountain peak as her husband's occupation is that of a forest ranger. Since getting to the top of a lofty peak involves riding a horse, she says she'll either have to learn to ride one, or hang onto the critter's tail.

When I tell you what this industrious person does I'm sure you'll know who she is. She teaches basic English, Spanish I, French I, II, and III, journalism, is co-worker in the Spanish club, and is the adviser of the Chia and Smoke Signal.

That's right, you guessed it (or looked above) to see who the Smoke Signal's adviser is—Mrs. Helen Kansky.

Sadie Hawkin's Day and Dance Set for Friday

Sadie Hawkin's Day is coming! Wimmen get your man and bring him to the Sadie Hawkin's Dance next Friday night.

To finish off the day's fun done up by the Student council, there'll be the yearly Sadie Hawkin's Dance, given by the ever-mighty junior class.

At the evening's bawls, you'll find dee-lushiously diffrent eatin' (for a small fee) and dancin' to your favorite bands, such as Tommy Dorsey, Glenn Miller, Benny Goodman, Harry James, and all them fellers, via the phonograph!

So cum one, cum all, and above all, cum dressed for the day's hilarity and evenin's doin's! Gals, here's your chance to get out and grab that man!

Thoughtful friend: "My good man, why don't you take a street car and go home?"

Tipsy one: "Shno use. My wife wouldn't let me keep it in the house."

GAZOOZIT

By Cherie

This is your ole Gazoozit reporter back on the job with all the dirt hot off the latest gab sessions!

We feel pretty discouraged about losing to Beaumont last Friday but that "B" squad was sure in there pluggin' for ye alma mater. Maybe playing on our home field has a psychological effect on us. Any-hoo, don't give up hope as we'll have another big brawl here with those "Cougars" around the end of November.

Parties seemed to be, per usual, the keynote of the week-end's activities.

At Pat Baugh's Friday eve, Spin the Bottle was one of the main attractions for a hefty bunch of freshmen and sophomores. It was noted that Pat and Gary were quite obviously making progress together. Dropping in during the course of the evening were Nancy Nye and Bernie, Mabel and Don Miller, a cute twosome; and Donnie Du Bose, with Mari Ann.

At the Mashburn's party Friday, "I'm Forever Blowing Bubbles" was the password, and happy feature of the evening plus program dancing, mulled cider, pumpkin pie and afterwards, just ridin' around. Among those attending were Erica Orth (lonesome for Tom, who was in L.A.), Diane Heller, Andy Bump, Dick Lange (pause while we gals emit throaty bwangs for this newcomer), Milly, Barry, Tom Griffith, Ralph, Hanbury, Pender, Phyllis and Jimmy, and Duley.

Juniors, seniors, and alumni had their week-end frivolity at Dart's Friday (this is getting to be a tradition) and Jo King's Saturday. Lasting until the wee hours, Dart and the gang really kept things goin' in the usual P.S. tradition. Jo King with Bobby Flavin, "Babe" Bonner and Gundar; "Candy" and Morrison; Don McKinney and Sonnie Bue (Mrs. Henderson thought that one up); those senior steadies, Bob Hoover and Ann St. Claire, Billy Carey and Marilyn Ellsworth; Shirley and Whitey, and the rest of the crowd.

At Jo's Saturday, Delorse with Gundar, Hook and Chuck, and the list goes on . . .

Spinning the bottle seems to be the frosh's and soph's favorite entertainment according to reports of Judy Spalding's party given Saturday night. We hear Dewey is carrying on the good "ole" Metzendorf practice as he was quite the kid. Also enjoyin' the innocent fun were Mari Ann Sloem and K.K., Jim Wills, Gary Howard, Dick Mann, Dixie Smith, Jackie Kingsbury, Carol Hagan, and many others. Incidentally, Joey Flavin was looking lost without Barbara Jones.

Among those attending Adele Wood's li'l hen party Friday evening were Mary Louise Klug, Connie Nash, Dixie Smith, Barbara Jones, and Vicky Matloff.

We were sorry to hear that Harold "J. B." Emigh is in the hospital with pneumonia and we hope he'll recover soon.

Sailor Bob Hann was in the Village and on our honored campus last week with a buddy, Bobby Hahn (coincidence) Margie Walker, happy all over about it.

John Chaffey and Gil Smith are, oddly enough, in the same camp, Fort Lewis, Washington, receiving their basic training.

From Illinois, LoLo Vallier writes, "Tell everyone that I miss them and to keep the good old dirt rolling into the gossip column as only P. S. can do. After all, 'tis dirt that makes our soil so rich." (Typical Vallierian humor!)

We notice that Robert Higgins is beginning to find interest in those old things, girls! The lucky one is Nancy Nye.

An old friend, Donna Fee, returned to the campus this week, looking better than ever. This time she's going to stay through May.

In the show Saturday night were Shirley and Wilson while sis Phyllis and Jimmy Searls sat in an entranced huddle. Also seen were others, including Andy and Diane.

In closing, pliz remember to go out 'n root for the Indians today and help our fightin' braves to win the battle with the Bronchos.

Peter Stuyvesant lived 18 years of pleasant rural life on his Bowery farm after the British seized New York in 1664. Stuyvesant who said that in preference to surrender he "would rather be carried out dead," was not allowed by his people to join battle.

ON THE WARPATH

By MORT ALGASE

According to latest word received from tribe headquarters, the only thing that saved Beaumont's Cougars from a good scalping, was the fact that the Indians forgot to beat their tom-toms before the game. This motion was placed before the assembled convention of redmen and it was unanimously agreed that that was the only logical explanation for defeat. (What else?) As it was, the red-in-the-face fellers received an "A-No-1" clawing, 13-6, last Friday, from all Cougars concerned.

With Palm Springs the visitor, Beaumont turned out, band and all, to help send their boys into the Indian end zone twice, once in the first period, and then again late in the fourth. Palm Springs also took 6 in the fourth by virtue of a 23-yard Prieto-Moseley pass, and conservative ground gains of 14 yards until Jurado was set up to plunge it over from the 1-foot marker. Prieto missed a drop-kick try for the extra point.

A similar play by Beaumont, a Lozano-Machek toss combination, netted the Cougars 13 yards to set up their first tally. But on the next play Lozano raced the remaining 24 yards for the first six of the game, plus one more on a conversion. And in the fourth stanza, Lozano once again broke away, this time for 26 yards and another touchdown setup on the 7, where the Cougars promptly scored again but missed the point.

The game actually was very ironical. Palm Springs was in scoring 6 times and muffed 5 chances. Both of Beaumont's markers came unexpectedly. Not once were they stopped at the goal. On one attempt, the Indians worked the ball down to the one yard line, only to be stopped by the half period gun.

Palm Springs' pass defense against a recognized aerial contingent was generally good. There were several interceptions, chiefly by Williams, and many

were batted down or kept from their receiver. Beaumont's ground plays proved a different thing. Lozano alone covered every inch of the field twice, and then some. The tribe presented a somewhat weak offensive. There was a very, very low percentage of passes completed (nearly 30 were attempted); while on foot, St. George, Jurado and Wills gained all of the tribe territory, but even that was very little.

But the Indians will have a second chance to break the 8-year loss streak. On November 9, Palm Springs will do the honors and there is still a possibility that Palm Springs can beat Beaumont in this second meeting. Today we'll meet Banning here. Although Beaumont is our greatest rival, Banning will prove even a tougher opponent yet, having beaten everything that has come across their path. Ritter is the boy to watch.

In a reserve game the day before, Coach Summers' "Bee-men" did what they could to save the good name of Palm Springs high school, when they beat the Beaumont second team 6-0, here.

It was a pass interception in the fourth quarter by "Gallop" Sam Guyton that cinched the game. After a 25 yard runback of the ball Sam was dropped on the 2 yard line where Fullback Ed Wills plowed it over. The "Bees" played some good ball and deserve lots of support. They made a fine comeback from their 31-0 blasting by Colton several weeks ago.

Starting lineups of Beaumont-Palm Springs varsity game:

Machek	LE	Peterson
Cloutmire	LT	Wogburg
Brown	LG	Croslier
Lewis	C	Williams
Harrison	RG	Brummitt
Roberts	RT	Gorcester
Holmes	RE	Benson
Rios	Q	Doro
Lozano	LH	St. George
Van Valer	RH	Prieto
Witt	F	Jurado

Girls League Puts On Gay Welcoming Party at School

Starlight and candlelight illumined the school patio for the annual Girls' League dinner, a welcoming party for the girls of the school, teachers and school board members' wives, October 23 at Palm Springs High School.

The dinner was prepared and served by the girls of the league with each class being responsible for one course. Spaghetti, the main course, was contributed by the junior class; the salad, sophomore class; desert, freshman class; and French bread and iced tea, senior class.

Guests at the dinner were members of the faculty, Mrs. Kansky, Miss Farrar, Miss Hutchinson, Mrs. Henderson, Daisy Keller and Mrs. Thompson, wife of the coach; and wives of the school board members, Mrs. Burket, Mrs. Hilery and Mrs. Purcell and Mrs. Bell, wife of the custodian.

After dinner each class contributed to the entertainment. The Freshman class presented a hilarious skit entitled "Meller Drammer." The characters were Barbara Jones, Jane Sponsler, Jackie Kingsbury, Sandra Veano, Adele Woods, Pat Fowler, Connie Nash, Donella Knapp, Mable Potter, Betty Wright, Marilyn Sorum, Marlene Watlet, Colleen and Merlene Hudeburg and Mary Louis Klug.

The sophomore class presented three short skits. The first one entitled "The Typical Mella Drama" was a monologue by Maizie Rice depicting a fight between the villain cowboy and the hero. The second skit was a parade of Dick Tracy characters. The final one was another monologue by Lane Archer.

The junior class was represented by Ardis Green and Jeannine Dinnelly harmonizing on "Sentimental Journey."

The seniors presented an all girl orchestra featuring Julie and her magic violin, Joanne Hookey at the drums and Mary Joe Graft and Imogene Hudeburg on the flutes. DeLorse Roth was the vocalist, accompanied by C. J. Lyter at the piano.

After the entertainment all the girls gathered around the piano and sang until it was time to clean up. Everyone pitched in and helped under the direction of the clean-up committee.

FASTER RELIEF From BRONCHIAL ASTHMA

Usually less than 1 Min.

Woodshop Acquires Hardwood Supply To Make Furniture

Patina. Distress in finish. Authentic reproduction. No, P.S.H.S. has not gone into the business of selling high class furniture, but its woodshop has started making attractive and durable household pieces in hardwood, and they are thinking in terms of these expressions. When a high school woodshop goes in strong for hardwood, that is pretty sure evidence that the boys working in the shop are making furniture that will have lasting value.

This week Mr. C. T. Collins, shop instructor, checked in approximately \$250 of Michigan hard maple, Tobasco mahogany, black walnut, red gum, cherry, and Tennessee red cedar. This is the first substantial supply of hardwood ever to be delivered to P.S.H.S.

Mr. Collins came to this high school this year determined to give the boys who elected shop a real course in fine woodworking and cabinet making. He is an experienced woodshop teacher, having executed many fine pieces of household furniture. Principal E. E. Oertel, who has seen some of his work, says that he is an artist in his field, that his work is precise and has a finish that compares favorably with the finest that comes with high class commercial furniture.

Mr. Collins has acquired a considerable supply of new wood working tools for the school. Not that he has some select hardwood to work with, it is expected that by Open House time in the spring numerous articles of furniture will be available for display at the high school.

The boys in the woodworking classes are specializing this year on mahogany chests with inlay, on kitchen and dining room furniture, Queen Anne coffee tables, end tables, and small cabinets. It is expected that a novel feature of the furniture exhibit next spring will be a number of different kinds of hardwood inlays. A characteristic of the work being done in the shop now is very close joints and tight fits in the inlay work.

Boys taking the woodshop course include Charles Craft, Gerald D'Ottavio, Theodore Lotz, Max Rosenfeld, Don McKinney, Dick Moseley, and Harvey Gorcester. These boys are undertaking substantial projects, and according to Principal Oertel, who has inspected their work in its initial stages, there will be exhibits ready that will be a surprise and delight to parents and friends who attend Open House.

Christian Science Text Everlasting Punishment
The Golden Text of the Sunday Lesson—Sermon on "Everlasting Punishment" in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, is from Psalms and reads, "Oh let the wickedness of the wicked come to an end; but establish the just." In his Gospel Luke relates that Jesus said unto one sick with the palsy, "Man, thy sins are forgiven thee. And the scribes and the Pharisees began to reason, saying, . . . Who can forgive sins, but God alone? . . . Jesus . . . said unto them, What reason ye in your hearts? Whether is easier, to say, Thy sins be forgiven thee; or to say, Rise up and walk? But that ye may know that the Son of man hath power upon earth to forgive sins, (he said unto the sick of the palsy,) I say unto thee, Arise, . . . And immediately he rose up before them, . . . and departed to his own house, glorifying God."
"Healing the sick and reforming the sinner are one and the same thing in Christian Science," writes Mary Baker Eddy in "Science and Health with Key to the Scriptures." Further she says, "Hatred, envy, dishonesty, fear, and so forth, make a man sick, and neither material medicine nor Mind can help him permanently, even in body, unless it makes him better mentally, and so delivers him from his destroyers."

Vicar to Address Young People at Evening Services

The Rev. Robert M. Hogarth, vicar of St. Paul's in the Desert Episcopal church, will preach next Sunday morning on "A Great Cloud of Witnesses." As November 4 is within the octave of All Saint's Day, Holy Communion will be celebrated both at the 8 a.m. and 11 a.m. services.

The vicar will also address the Young People's Fellowship Sunday evening at 7 o'clock on "Guy Fawkes Day," which falls on November 5. He will cite it as a symbol of fanatical religious intolerance. High school students are especially invited to these meetings.

It was announced that the chancel society of the church will meet in the church office Saturday in monthly meeting.

Date for this year's bazaar, an event presented annually by women of St. Paul's Guild, was announced as Nov. 29. Mrs. Levering Moore is president of St. Paul's Guild. The event will be held in the Women's clubhouse.

Victory Bible Class Meeting Friday Nights

Victory Bible class, composed of servicemen and their wives, is now meeting at Community church each Friday evening at 7:30 o'clock for Bible study. The class has been meeting for more than a year and former members are scattered all over the world with the armed forces.

Present officers are Cpl. George Clayton, North Carolina, president; S. Sgt. Bob Schmidt, Illinois, vice-president; Bernice Schmidt, Minnesota, secretary-treasurer.

The class is looking forward to bringing Harry Rimmer, noted scientist and archeologist, to the Village for a week of meetings. His latest book, "Dead Men Tell No Tales," is an account of what the spades of archeologists have brought to light.

A project of the class is support of the native worker in China under the China Native Evangelistic Crusade.

Lt. Comdr. Joseph S. Beck of Port Chicago, Calif., and Mrs. Beck are here visiting Mr. and Mrs. William D. Beck of the Village.

Pay your telephone bill before the 30th and receive a discount.

Presbytery in Session in City

At a well attended meeting of the Riverside Presbytery on Tuesday evening the following conducted the Forum, Miss Blanche Yeoman, Board of Foreign Missions, M. R. Christopher, Board of Christian Education, Richard Plummer, and R. M. Polhemus, of Colton, who has recently resigned to work with the rehabilitation of the churches of Europe.

Following the discussion period there was a social time held in the church parlors when refreshments were served by a committee headed by Mrs. Violet Fowler of the Village.

Chaplain Miller Transferred to Long Beach Post

Chaplain Paul E. Miller, well known chaplain at the local army air base, has been transferred to Long Beach and left the Village Monday.

His family, still here, is expected to follow him soon.

Dr. J. R. Macartney of the Community church, where Chaplain Miller was frequently heard, said that his services would be greatly missed. He extended an invitation to members of the base to attend services at the Community church in the absence of a chaplain on the post.

Fellowship Supper Served C. E. Society

A fellowship supper was served last Sunday evening following the meeting of the Christian Endeavor society. Bernice Schmidt, director of religious education at Community Church, was assisted by a committee of women of the church.

It was announced that the society would meet next Sunday evening at 5:30 o'clock for their program and refreshments. Topic will be "What's My Name?"

A large group from the local C.E. society is planning to attend the county convention of the group Friday evening.

Wac Director on Inspection Tour

Captain Helen Tait, assistant WAC director, 9th Service Command, has left Torney General hospital after a routine inspection of WAC facilities of the post.

Before coming to service headquarters in 1943, the WAC captain was training division director of the WAAC in Washington, D. C.

Second in Series Of Bible Questions Topic Next Sunday

Second question in a series of sermons on questions in the Bible will be presented by Dr. J. R. Macartney next Sunday morning. The first, "Adam, Where Art Thou?" was heard last Sunday morning.

The second, "Am I My Brother's Keeper?" will be heard this Sunday.

At next Sunday morning's service Dr. Macartney will talk on "Achsah, The Young Woman With a Flare," the kind of girl young men want to marry.

A business session of the congregation will be held after next Sunday morning's service to elect additional members of the official boards of the church, trustees and elders.

Holy Communion will be celebrated at Sunday morning's service.

The Adult choir, under direction of Mrs. Holly Lash Visel, sings at the morning service. The Boys' choir will be heard during the Sunday school hour and the Chapel choir will be heard at the evening service. Nancy Nye was heard as soloist.

Mrs. Visel said there were still places in all three of the choirs and asked those interested to contact the church office.

Church Board to be Supper Host

The executive board of the Community Circle will hostess a dinner at the church on the evening of November 13 at 6:30. One hundred tickets, at 75c each will be available to those calling George B. Davies. While this number is capacity for the dining room, everyone is cordially invited to attend the program following the dinner.

This will present Mr. and Mrs. William Blackstone, outstanding young people recently returned from Jap occupied China. They have an interesting story to tell.

Mr. Davies' phone number is 3024.

Brother of Local Pastor Is Honored

The Rev. Albert J. Macartney, D.D., for 15 years pastor of the Church of the Covenant in Washington, D. C., and heard several times in the Community church where his brother, Dr. J. R. Macartney, is pastor, has been chosen to conduct the Sunday Evening club of Chicago, an interdenominational preaching and forum center which meets each Sunday evening on Michigan boulevard in Orchestra hall, Chicago.

Outstanding preachers of the nation are brought to address these meetings where thousands assemble.

Tablespoons originally were made from wood, ivory, flint, or slate.

Harry C. Harper Tells Rotarians Of Civic Projects

Harry C. Harper, secretary of the chamber of commerce, gave Rotary club members a graphic picture of the airport and hospital situation and the possibilities for a great civic program when he addressed the club on Wednesday at the Desert Inn.

Barney Hinkle was program chairman and President Fred Ingram presided.

The speaker outlined the progress to date on negotiations with the Federal Surplus Property administrator and of action taken by city council, chamber directors and planning board members.

Local Red Cross To Entertain Wounded Vets

Merrill Crockett and Maurice McCann, co-chairmen of the Red Cross Camp and Hospital committee, announced a new service for convalescent soldier patients at Torney General hospital this week.

Roy Randolph, noted dance instructor, has been appointed chairman of a newly-created hospital entertainment committee and will provide merry and tuneless afternoons for the convalescents.

Mr. Randolph is busy rounding up entertainers from local cafes, hotels and lounges and will arrange to have them at Torney on different afternoons to play and sing for the wounded soldiers.

Portrait of the Week

By BERNARD of Hollywood

Glamorous Edna Hollinger . . . native Los Angelite . . . in Palm Springs three years now, and would rather be called a native Palm Springer. Edna is very well known around these parts . . . partly because of her good looks (please check above) . . . her ravishing red hair . . . her rhumba dancing . . . and her popular husband, Johnny. Ice-skating and horseback riding are endorsed by her, and when things get dull . . . and she can find a willing subject . . . she would just as soon pursue another favorite sport . . . Jui-Jitsu. Her father was a professional prize-fighter and after taking a look at his lovely young daughter . . . decided that it might not be a bad idea to teach her the art of self-defense . . . (just in case there might be any wolves about) . . . we can't imagine what ever gave him that idea!

MORE ABOUT . . .

New Home . . .

floor rooms will be occupied by the Palm Springs Music company. Several firms are seeking the other room but Mr. Murphy and his partner, Mr. Hume, said no decision had been made on the tenant yet.

MOST COMPLETE

The partners are planning to make their store one of the most complete in interior Southern California and are including features found only in the larger Los Angeles stores.

The latest in musical, radio, phonographic and home appliance articles will be stocked and displayed in an attractive manner. The building will be the new home of the famous Bendix washing machine, RCA Victor radios and phonographs, Stromberg-Carlson radios and phonographs, Westinghouse home appliances from refrigerators and ranges to toasters.

MODERN STOCK

"We'll carry the latest appliances, the most modern ones which grew out of the experiences of the war," Mr. Murphy said. "New and old Villagers will find they can get everything they want in the radio, phonograph or home appliance line that they can get in Los Angeles—and at Los Angeles prices. We plan to bring the latest in all lines here."

Practically the entire front of the new store will be glass, with glass doors and big glass display windows.

Mr. Murphy plans a prevue of the new store just prior to its formal opening at which time representatives of the various firms represented in his stock will be present—home appliance heads, radio executives and officers from all of the record making firms.

O'Donnell Golf Course Ready For Big Season

Followers of that ancient and popular game of golf can start warming up now.

The O'Donnell Golf course will have its official opening tomorrow, Saturday, November 3.

At the helm and manager of the golf club greens will be John Kane who has held the same position for the past 20 years. George Howard will be the pro manager, it is reported.

The greens and the service will be finer and better than ever, according to J. F. French, president of the O'Donnell Golf Club.

MORE ABOUT . . .

New Canteen . . .

teer your services," she said. "Our boys still need us." Mrs. William A. Lippman, chairman of volunteer service for the Red Cross, said today that due to construction difficulties, the building to house the new canteen would not be ready until Wednesday.

She also stressed the fact that no one had yet volunteered for the 4 a.m. to 8 p.m. shift at the canteen and that many planes come in at this time. An urgent plea was sounded for volunteers for this shift.

Coutts Gallery Opens Saturday With New Class

Art season at the Gordon Coutts art gallery will open this Saturday with a quick sketch life class which is open to all artists who care to partake, it is announced by Jeanne Coutts Knight. The only charge for this group will be a pro-rated fee to pay the model. No instruction is offered.

Instruction classes in portrait, life, still life, landscape and beginners clay modeling open Monday. Enrollment is still open and those interested are urged to start at once to benefit from the early instruction.

Among local artists who will avail themselves of the Saturday quick sketch group are Mr. and Mrs. J. K. Wolseth of Cathedral City, Ben Carre, Paul Grimm, Axel Linus, Capt. and Mrs. H. Harris and Mrs. A. Theobald of Cathedral City.

Mrs. Knight is also preparing for a showing late in December of many of her father's paintings and those of contemporary artists.

Man Only Factor Which May Darken Tomorrow's World

The only uncertain factor in the pattern of the world tomorrow is man, Dr. W. Balentine Henley, president of the College of Osteopaths, Physicians and Surgeons, Los Angeles, told Palm Springs Lions yesterday.

Otherwise, he said, the world of tomorrow is full of bright prospects. Huge delayed markets mean much to industry, the people have the money to buy and they need many, many items denied them during war period. Then, too, there are vast new fields to be explored, new products to be made. Dr. Henley said that ten years from now, thousands will be engaged in making articles which are still in the chemists test tubes today.

DOUBTFUL FACTOR

The picture, insofar as material things are considered, is bright. The doubtful factor is man and unless we understand man and include spiritual values, too, there will be some dark days ahead.

Dr. Henley said, in speaking of a world federation, that the same objections which were uttered against the constitution of the United States before the republic was born, are being voiced today against a world constitution.

ADDRESSES FORUM

Dr. Henley addressed patients at Torney General hospital yesterday afternoon and last night opened the new Public Forum series with an inspiring talk at Frances S. Stevens school.

Seigel Raymond was program chairman at yesterday's Lion's club meeting and President Lloyd Simon presided.

Elmo Purnell, on behalf of the Los Compadres club, presented a \$300 check from that organization to the club, the money to be used for the Boys club, which the Lions sponsor.

First Breakfast Ride Sunday for Los Compadres

First breakfast ride of the season for members of Los Compadres Club under their new set of officers will be held Sunday morning. Kenny Paul is the new president.

Riders will leave the stables at 7 a.m. for Burro Gulch where the breakfast will be served.

Harry Van Gorp is in charge of arrangements and has called on all club members to pitch in and help—"and get a bigger appetite for that big breakfast."

Emil A. Knorr Back in Village

Having received his discharge from the army after nearly three years in service, twenty months of which were spent overseas, Emil A. Knorr has returned to the Village and has purchased the Orange-Gene franchise. He expects to open a shop soon.

While Knorr was in Italy his greatest pleasure was in reading The Sun, he says, which kept him in touch with his friends in the Village.

NAA Dinner-Dance Highly Successful Event of Tuesday

More than 65 members of the National Aeronautics Association from Palm Springs and visiting chapters, dined and danced at the Desert Inn Tuesday evening when the Village chapter presented its first annual banquet and dance.

The guests were welcomed by Mrs. Clema Granger, president of the chapter, and Major Don G. McFadyen, of the air base, explained civilian flying conditions at the field.

Following the short program the members and guests just dined and danced to the excellent music of Bermani and his orchestra.

Zero weather in Los Angeles prevented members of the Los Angeles chapter from flying down for the event and they came by auto, all except one who got through Sunday.

Two members of the Prescott, Ariz., chapter, however, flew in for the event, the weather being excellent on this side of the mountains.

Mrs. Granger, president, said it

was a highly successful event and that members are already looking forward to the next one.

Medicine For All Subject at Week's Global Gab Rally

Socialized Medicine was the topic Tuesday night of the Global Gab society at their meeting at the chamber of commerce.

The paper was presented by Sylvia Donner, with Mrs. Eva Menard as chairman.

In the discussion the consensus was that both the medical profession and laymen realize the need that something be done. Many small communities are not equipped to care for their ill. A better health program is of national interest, it was pointed out.

Subjects to be discussed in November are: How to Preserve Peace; The Social Effect of the Quality of Women; The Status of the American Indian; and The Effect of the Influx of Population on the Western States.

Winter residents who know the Global Gab discussions and who are now returning to the Village are beginning to return to the weekly sessions. The public is cordially invited to the sessions, officers said.

Marion Ryan Joins Virginia Bell Staff

Marion Ryan, pedicurist and manicurist formerly with the Desert Inn beauty shop, is now associated with the Virginia Bell Studio of Beauty, No. 3.

Irla Wilson, hi-fashion hair stylist from Reno's in Long Beach, is also in the same studio, which is managed by Ione Cornell. Miss Arve King is manager of the No. 2 studio.

2 Dance Permits Issued by Council

Council approved, subject to the usual inspection for safety, applications for permits for seasonal dances at Rogers ranch and at the Doll House.

The inspector's o.k. was placed on Rogers ranch and an inspection of the Doll House will be completed before it opens next month.

TROPHY—T. Sgt. Merrill Lee, who was in the Bataan Death March and who spent 40 months in Japanese prisons, shows Jap Samurai sword and Jap currency to Lt. Don Lapham at Torney where he is a patient. (U. S. Army Photo.)

Victim of Bataan Death March Patient at Torney; Spent Forty Months in Japanese Prison Camps

Among recent arrivals here have been many liberated prisoners from Japan, victims of malnutrition and resultant complications, most of whom have grim souvenirs of their long imprisonment.

First Samurai sword to be exhibited on the post was brought back by Tech. Sgt. Merrill Lee of Panama, Nevada, who was sent to Torney for treatment prior to transfer to the AAF convalescent hospital at Santa Ana.

A member of the 93rd Bomb Squadron, 98th Bomb Group, 20th Air Force, Tech. Sgt. Lee was taken prisoner on Bataan, made the Death March, and until July, 1944, was held at Bilbid No. 1. He was then removed to Japan and imprisoned at Fukuoka camp No. 3 on the Island of Kyushu until liberated.

Other men freed from Japanese prisons who arrived at Torney during the week were 1st Lt. George A. Ragusin of Glendale; Sgt. Leroy B. Bailey, Colton; Sgt. Robert W. Foster, Bell; Cpl. Armand L. McLain, Pioche, Nevada; CWO Clarence E. Bright, San Francisco; Cpl. Earl B. Williams, Las Vegas; Staff Sgt. Clyde A. Howard, San Bernardino; and Cpls. Billy Ballou and Robert B. Sills, Los Angeles.

County Disaster Plan Goes to Committee

Communication from G. A. Pequegnat asking council the position of Palm Springs in the proposed county-wide disaster council was referred to the general committee of city council by Mayor E. E. Theriault Monday.

The plan calls for an ordinance to provide inter-community police exchange in event of an emergency in any portion of the county. It is similar to a county-wide fire protection plan recently entered into by the city.

U. S. Chamber Official Here

Guy Leonard, field executive of the United States chamber of commerce, was in Palm Springs Wednesday, stopping over for a brief visit en route from Los Angeles to Arizona.

He conferred here with Harry C. Harper, secretary of the Palm Springs chamber, which is a member of the national organization.

Dr. Purcell at L. A. Sessions

Dr. Frank A. Purcell, well known Palm Springs dentist, spent last week-end in Los Angeles attending the sessions sponsored by the Southern California section of the State Dental association on the subject "Psychosomatic Aspects of Medicine and Dentistry."

The sessions were in charge of Douglas G. Campbell, M.D.

Dr. Purcell went in to the sessions Saturday, returning Monday night.

Desert Feed Store To Be Open Daily

Starting Monday the Desert Feed and Seed store will be open every day in the week, except Sunday, from 8:30 to 6, it is announced by Alene T. Rupp, owner. A new line of horse supplies has also been added.

Mrs. E. Tarr, Mrs. Rupp's sister, will assist in the operation of the store.

Mrs. Stella Rooke Visiting in East

Mrs. Stella Rooke, well known Villager, is in New York on a vacation trip and plans to spend six weeks more in the east before her return to Palm Springs.

On her return from New York, she plans to stop over at Nashville, Tenn., to visit relatives, before returning to the Village.

During the war Higgins Industries, Inc., here built 14,283 combat craft for the navy at a total of \$130,000,000.

More than 40,000,000 attendances are chalked up every year at fairs in the United States.

For Essential Transportation—U-Drive Cars. Phone 4444.

Hotel the Oasis, Famous Village Hostelry, Reopens

Hotel the Oasis, one of Palm Springs oldest and most famous hostelrys, has reopened for the season under the management of George A. Thompson, and from advance reservations pouring in will enjoy one of its greatest seasons.

The office of the hotel has been moved to the Tahquitz Drive side and is situated adjacent to the dining room. This part of the hotel is in what is one of the oldest buildings in Palm Springs. No change has been made in the spacious dining room and the lounge is located as in years past. The former office has been made into a street front shop which will be occupied by Fred Fulton.

Mr. Thompson is associated with Dewey W. Metzdorf of Anchorage, Alaska in the business. The men acquired the property several years ago from Mr. and Mrs. Hobart Garlick, who operated the hotel for a number of years.

The dining room, lounge, offices and rooms have all been redecorated and a number of additions have been made. The dining room is open to the public for all meals.

Increase Time to Flush Off Walks In Business Area

It will soon be o.k. to wash off sidewalks with a hose between the hours of 5 a.m. and 9 a.m. provided the hoseman does not use more water than needed to dislodge dirt and provided he is careful not to splatter pedestrians who may be up and about at those hours and does not splatter parked cars.

Council Monday heard first reading to an amendment to Ordinance 137, the walk-wash bill which kept council so busy two years ago. The ordinance extends the hours for washing sidewalks to four. The original bill started out with an absolute ban on washing sidewalks, was changed to permit one hour of judicious washing, then again to permit two hours and now it's up to four.

The bill was first enacted because of protests from residents and business men at the south end of town that the accumulated water from sidewalk washing up town daily formed a lake at a low spot at Arenas road and the Drive. It was also protested that careless janitors were splattering pedestrians and spotting parked automobiles.

Pay your telephone bill before the 30th and receive a discount.

HEALTHFUL, QUIET DESERT LIFE

Enjoy at Palm Village

Near Palm Springs, Calif.

NO WINTER HERE... Just imagine living under a "summer" sun all winter long. Here in Palm Village, among date and citrus groves, is America's most healthful climate (dry, warm, pure air).

FUN IN THE SUN... Pleasant recreations await you... swimming, riding, tennis, badminton, archery or sun-lazing... all at your beck and call. And just an hour's drive to snow-capped peaks for winter sports.

A COLORFUL OASIS... Palm Village is a peaceful community surrounded by enchanting desert, far from the city turmoil... yet with all city conveniences, and an abundance of pure, sparkling water for house and garden.

EASY TO OWN A DESERT HOME... here homesites and estates are modestly priced from \$595 to \$2995. Convenient terms are available. Little Ranchos, Motel, Business Sites available. Citrus and dates full grown, as low as \$2500 per acre.

SEE FOR YOURSELF... Visit Palm Village as our guest. See this growing community of homes in the midst of Southern California's fertile Coachella Valley.

Be sure and see Palm Village. Select clientele

Cathedral City

These notes are headed with a warning and not a lecture. On November 8 at 10 a.m. in the supervisors' room of the County Court House at Riverside the State Board of Equalization will hold a hearing on protests against the issuance of a liquor license for the Totem Pole Cafe and against the addition of a spirits license to the beer and wine license already held by Ralph and Adeline. A petition was circulated and sponsored by the Chamber of Commerce protesting any further issuance of licenses in the village for which those favoring additional bars here have taken exception as not voicing the sentiment of the membership of the Chamber or of the community. Is this true? At the last Chamber of Commerce meeting there were few members of the Chamber present who are also identified with other organizations and without preaching to you we would like to have some active work done for the community by the church group, the Womans Club and the Civic Improvement Association. Every one who wants this community to remain a quiet restful and primarily residential village are asked to join the group who are going to Riverside to fight for this objective. Many who are backing the protest are not prohibitionists nor teetotalers but just want a quiet place to live in, which objective will be defeated if additional bars are allowed to come in. The protest is not aimed at the petitioners as individuals but is meant for any future applicants as well.

At Riverside last Monday the County Committee of the County Chamber of Commerce on County Roads approved the Palm Springs area request for an overpass over the S. P. tracks near Garnet, for the improvement of the Palm Springs-Edom Road and for the proposed hook-up of eight miles of unconnected roads that lead from Rancho Mirage across the Whitewater Wash and from Rancho del Sol north and west until it joins the Edom road north of the old Dunes Club location.

Interesting to those of us not on the Aviation Committee was the master plan map for County aviation fields, built and proposed. Then later I saw another large scale map that County Planning Commission Technician Marshall was working on. A Riverside County recreation map. It is the basis of a survey to locate all public recreational areas and analyze them. A picture or design of a small building that represented all the school buildings in the county and in the approximate location they are in is an

incidental part of the map. I noticed the County Superintendent's office had not mentioned Cathedral City in their list furnished Mr. Marshall so I corrected the paper marked their paper down for carelessness and we have a little red marker with a flag on it at Cathedral City as shown on the map.

Reports are that Chet and Helen Mero, the latter of Helens Beauty Shop and both residents of the village for many years have sold their home. What their future plans are we did not learn.

Several other sizable transfers of property took place this last week, details of which will be announced soon.

Miss Miriam Klaniecka and her father have returned to the desert for the season. Harry Scott owner of Bluehaven Court was also a visitor here from his home in Laguna Beach. Homer Gould and wife are again at their desert home after the summer spent at Downieville in the High Sierra country. Evan Tarr, operator of the Standard station is here after a season spent either in Santa Monica or at his old home in Idaho. Many cars have been crying for his return and we are glad to see him. Osee and Ethel Johnson have returned and are at the trailer park. Their cheerful spirits are a tonic for the grumps. Sgt. Jos. F. Filtz, better known to us as Francis and son of Mrs. Jo Higgins is here with his family for a ninety day leave before returning to the Army Air Force for additional service. We are glad to see Francis again.

I've balked at writing purely social items and it would seem that Cathedral City has progressed to a point where someone would get quite a kick out of writing these items. A Halloween party at the Desert Cove Ranch was so unique that it should be mentioned. It started with preliminaries at H. E. Peterson's ranch house progressing by single file trudging in the darkness along paths and through canyons to the Ide home where decorations and fun was on tap then to the Jordan home then the Kelleys from there the file wound around to an unfinished ranch hands house then on to the Metz home and finally back to Peterson's for the refreshments, barbecue, etc. The ghosts and program at each stopping place was enhanced by all guests being masked in costume. One couple could not be identified for it turned out to be Bill and Georgie Cobb down for the weekend and without the kiddies. Bill is Claude's brother and formerly lived here for years.

Recent arrivals are Bert and Helen Stevens from Tillamook, Oregon, long time friends of the Waller family. The Stevens couple have purchased the Cathedral Motel from the Wallers and are now operating the Motel. Fortunately we are not losing the Wallers as they have retained their trailer park and structures that occupy four lots directly south of the Motel.

Mrs. Kyle reports that her husband, the retired Professor of Greek of Redlands University and a man who does not retire, is isolated in Redlands for want of transportation while his car receives first aid in that city. Between the chores of heading the war chest campaign, looking after the park development and helping with the liquor protest petition he was very busy and much missed here.

Wednesday noon an additional blow of hard luck was struck at the home of Leo Brown when Mr. Brown suffered a stroke. His condition is unknown now although he is confined to his bed. Dr. Leon M. Wilber is attending him. The community sympathy goes to the Browns as Mrs. Brown suffered an amputation about a year ago.

The Cathedral City Unit of the American Red Cross will resume its work Monday, Nov. 5, at the

**What Goes On
in
Rancho Mirage**

The Guild of St. Paul's-in-the-Desert Episcopal Church held its first meeting of the season at the home of its president, Mrs. Levering Moore on Mesquite Lane. Members and their guests were Mmes. Harrison Leussler, John S. Hobson, Frank Martineau, J. B. Crommelin, L. T. Converse, Eber D. Kanaga, Frank S. Roberts, Emil Wagner, and Frank W. Camp; the Misses Helen A. McCallum, Elizabeth Ann Roberts, Bessie A. Allen, and Deasoness Ethel Spencer. The Vicar of St. Paul's was also present, the Rev. Robert M. Hogarth.

The B. W. Vallets have taken the guest house on the Nittinger place in Rancho del Sol while they are building a new home in their own date orchard.

Lloyd McFarland and wife are visiting at the home of their parents, Mr. and Mrs. A. P. Burgard.

H. W. Duncan, wife and little son have returned to Los Angeles after a week's visit at the Ranchita del Sol of their father and mother, Mr. and Mrs. J. E. Walden.

E. P. Nittinger had for a week end guest at his home in the Rancho del Sol Louis Torrance of Santa Monica.

Miss Ruth Lloyd is a guest at the David F. Culver home on Sahara Road.

Jim and Mrs. Smith, he a prominent realtor of Beverly Glen, have started developing their 200 acres in the Rancho del Sol, now drilling a well and will start a residence when, as and if.

The John Warburtons, Ed Ewatts, Harlan Bowslers, and Johnny Bischoff were Sunday dinner guests at the Herb Truex Ranchita on San Jacinto drive.

Mrs. Lola Ree Hull has returned to her home on the Veldt after a week in Los Angeles.

Mrs. Florence Wiggins, wife of Dr. Wiggins of Salinas, and her friend Tish, the French comedienne, are visiting with Judge and Mrs. Krull at their home on Avenida Krull.

**Bill Ude Opens
New Restaurant
At Palm Village**

With "Rocky" Hume, formerly of the St. Francis in San Francisco, as manager, Bill Ude has opened his attractive Palm Village Inn in Palm Village.

Specializing in steak, chicken and prime rib dinners, the inn also offers cocktails and wines and beers.

Ude is still operating his bar in the El Morocco hotel in Palm Springs.

**Boys Club Plans
Many More Great
Gatherings Here**

Wednesday night's big Halloween party, staged by the Boys Club at Torney gymnasium was "just the beginning" according to Frank Partridge, chairman of the Lions Club Boys and Girls committee which is aiding the youths.

Partridge said that another big party was in the making and that the club would launch a drive for new members next Thursday night.

The difference between false and true pleasure is this: for the true, the price is paid before you enjoy it; for the false, after you enjoy it.—John Foster.

MORE ABOUT...

Council Acts...

freeze all property until the city had time to go over the proposition and decide on a policy. City council and planning commission members met again Tuesday morning and the Community Hospital board, also directly interested, met Tuesday evening.

READY-BUILT CENTER

The plan, in its bare outlines, is to have the city buy from the Surplus Property Administration, the 110 acres which comprise Torney General Hospital, including all equipment and 138 buildings. Many of the buildings are temporary, war emergency structures suitable only for salvage, but in the permanent buildings of the old El Mirador Hotel, the city will have a ready built civic center on the large scale. Suitable accommodations are available for all community projects.

In point of timing, this opportunity for Palm Springs is most auspicious, chamber officials say. Since its incorporation in 1939, this resort city has been looking and hoping for suitable administration quarters—and never found them leaders pointed out. The war has held up plans for a municipal swimming pool and public park, both of these community needs can find ample room with facilities all ready built on the grounds of Torney. It is anticipated that the Community Hospital, American Legion and various other civic projects will join in to make a complete civic center.

NO PRICE SET

Tax payers in fear of a large bond issue can calm their fears, it was said. The Surplus Property Administration has not as yet set any price on the properties, how-

ever it is the policy of the government to make it possible for communities to acquire surplus property where it is desirable, at a nominal figure. In other words, where possible, properties taken over by the government during the war, are returned to the tax payers who bought them in the first place.

Palm Springs can naturally make no move toward acquiring the properties until such a measure is passed by the city council, Mayor Theriault said. At an emergency meeting of the council Tuesday morning, however, the council voted to have Harry Harper, executive secretary of the Chamber of Commerce, go to San Francisco and have the regional director of surplus properties freeze Torney Hospital and the Airbase lands pending further city action.

PLANS FOR PORT

The airport lands include 315 acres which comprise the east half of Section 13. On this land are the Air Base administration buildings, the Officer's Club, including a fine new swimming pool, and various other buildings. The tentative plan is to establish a model air terminal to care for the air travel Palm Springs may reasonably expect in the immediate future. On a part of the property an 18 hole golf course will be laid out with its club house, the present Officer's Club and swimming pool for the use of golf playing visitors. The actual landing field at the Air Base is on government land on which the city holds a 25 year lease.

In answer to the natural question: "What is going to happen to excess real estate which is over and above the needs of the city?" civic leaders said the present plans include the disposal of the excess real estate by the city to buyers who meet the city requirements. By this means the city hopes to relieve the tax payers from the sting of a large bond issue.

MUST LIVE RIGHT

Earl Coffman, Desert Inn owner, who said he spent two sleepless nights when he heard that the Federal Government Surplus Properties would be available to communities, because the whole idea was "so big," said yesterday, when asked to comment on the proposition, "I guess, after all, we must live right. For the past year the community has been shoulder to shoulder on a program to make Palm Springs an attractive place for attractive people. This looks to me as if seventy-five per cent of our problems have been answered, and answered all at once. This is not only an opportunity for every citizen to enjoy assets which we, as a community, have never dared dream of, but as I see it, it is the responsibility of every citizen to see that this opportunity for Palm Springs is realized."

Robert Ransom, president of the Chamber of Commerce, said of the city's plan, "Seldom in the history of any community has such an opportunity for well organized development been possible. We have here a chance to acquire every asset this city needs in one fell swoop. We need an eighteen hole golf course and country club; we need a community center which will include a municipal pool and park, community hospital, etc. This is our chance to get them, and you know as well as I do, that the chance will not come again."

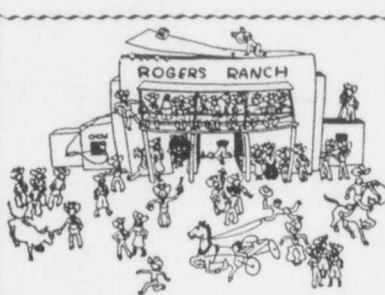

GREAT OPPORTUNITY

Fred Ingram, manager of the Bank of America said, "I think under proper management, it is a golden opportunity for Palm Springs, and I am sure that bank will cooperate in every way to see the plan realized. We all know that without some organized plan for the orderly disposal of two such large properties as Torney and the Air Base, we can look forward to a period of chaos. I think the acquisition by the city of these two properties is the best thing that could happen. I can think of many, many methods for their disposal which go from bad to worse."

"It is unquestionably true that the unwise or ill considered disposal of these surplus properties could bring a period of honky-tonk and havoc to Palm Springs," said Mr. Ransom. "It is for this very reason that the Surplus Property Administration asks each community to present its ideal plan for the disbursement of such holdings. Were the government to throw this surplus real estate on the market, willy nilly, Palm Springs would inevitably reap a whirlwind of cheap and undesirable development which would be most harmful to present community aims. Unless Palm Springs has the courage to acquire these properties and steer its own course, it must be prepared to see these lands not as a tremendous asset, but as a first rate liability."

Art Wright Loses Spare to Thief

Arthur F. Wright told police that a thief had taken the spare wheel and tire from his car. The auto was parked before his home, 263 North Indian avenue, at the time.

from ROGERS RANCH

What with the advent of a new string of horses, a new season and what have you, the season has opened with a bang out at Roger's Ranch, where the West still lives—and how!

The opening a couple of weeks ago turned out to be a hot affair—so hot, in fact, that the fire department had to come out about five the next morning and quell the blaze that started in the Cantina bar. Damage was considerable, but repair is nearly completed.

LIST OF WHO'S WHO

The guest list at Roger's looks like a who's who for the nation. J. A. Krug, grand mogul of the War Production Board was out chawin' steaks along with Donald Nelson, who has also done a lot of fancy work for the war effort. Alan and Sue Ladd prefer tea time riding, going out on a couple of Trav's trusty nags about four o'clock every day (P.M. of course).

Milling around the stables, (and elsewhere) have been Charlie and Dora (Mocambo) Morrison; Bill and Diana Powell, accompanied by Mrs. Powell, Sr., Sidney Lanfield; Irwin and Barbara Weiner all the way from Philadelphia; Lou Costello and party, guesting at the Lone Palm; and Mrs. Arthur Henry and her houseguest, charming Edith Moore.

LOTS OF NOTABLES

Jesse Lasky and his party were merrymaking to other night and

Village Youth On Historic U. S. Destroyer

John S. Redding, S1/c, son of Mr. and Mrs. Albert Redding of Palm Springs, is one of the crew of the famous U.S.S. Claxton, destroyer which served in Pacific waters.

He joined the Navy in February, 1943, and was assigned to the Claxton late that same year. The Claxton, a Fletcher type destroyer, was damaged by enemy action during their operations in the Solomon Islands area, early in 1944. In November of the same year, the ship was again damaged, this time taking a direct hit by a suicide plane.

From May 16, 1945, until the end of the war, the Claxton was a part of the famed "Okinawa Picket Line." It was part of the squadron that recently steamed through the Panama Canal and is now at Washington, D. C.

Redding called his home from Washington, on Oct. 18, and announced that his ship was to be presented with the Unit Citation by the President, on Oct. 19. He hopes to be home on leave sometime before Christmas.

Also serving aboard the Claxton is Thomas Kitchen S1/c, son of Mr. and Mrs. T. E. Kitchen of Cora, Wyoming, who are winter residents of Palm Springs.

Hoover Gunning For Bold Coyote

Al E. Hoover, prominent local realtor, is out gunning these nights for coyotes.

One of them vaulted the fence at his home and made off with the family cat, "Smokey." All that Hoover found later was the pelt. "Just wait until we get a moonlight night—I'll get 'em," said Hoover.

Pedestrian Bitten By Dog, Police Told

H. Rousel, 438 Merito place, told police yesterday that while walking in the 200 block on North Palm Canyon drive a dog bit him on the leg.

He was treated by Dr. I. W. Lynn and the dog impounded for observation.

EAT AND GROW THIN

New Theory

Many of us think that all fat people eat too much and exercise too little—But Dr. Edwards has demonstrated that you can reduce your weight and benefit your health without fasting or exercise.

According to his thesis, food that digests properly goes to energy and not to fat.

Village Swimmers Compete in Events In La Quinta Pool

The pool at La Quinta hotel was the scene of a swimming meet Sunday in which students of Palm Springs high school competed. Contests were held in free style, back stroke, breast stroke and racing and diving exhibitions.

Those giving diving exhibitions were John Martineau, Marilyn Ellsworth and Dick Doro.

Norma Seither, former swimming champion of New Jersey, was the star of exhibition swimming demonstrations. She is swimming instructor at La Quinta. Also seen in demonstrations was Bill Cupples, former national swimming champion.

Winners of the events, as decided by points compiled in the various events, were John Martineau, Bernie Doyle, Dick Doro, Joanne Hookey, Marilyn Ellsworth, Rene La Clerc, Marilyn Miller, Mazie Rice. The meet ended with a medley relay race.

Torney General Hospital Sports

By SGT. DON MARVIN

Slated to cop the bunting in both basketball and volleyball, the well-balanced Reconditioning Cubs lead at the end of two weeks going in the Intra-Post campaign. The headquarters Tigers trailed by twenty points and the Athletics by thirty-five.

Thursday's basketball competition saw the favored Cubs carried to the limit by the fighting Indians to win 34-23. Paced by the nine points and all-around rugged play of pivotman Davis, the Indians battled on even terms most of the way to a third-quarter stalemate of 23-23. But then they wilted while the sharp-shooting winners notched 11 straight digits. Jansen got fourteen of the Cubs' total, one more than Rolle, the other forward.

In the only other contest, a strong Athletics five kept on its unbeaten way with a handy 40-23 triumph over the Dodgers. Murray Courson added 16 points to his swelling total and Leslie pumped in fourteen from guard to head the attack. Five buckets by Richman was the loud splash for the losers.

The standings and box scores:

Cubs	175
Tigers	155
Athletics	140
Indians	110
Dodgers	35
Cards	100
Cubs—(34)	

	fg	ft	pf	total
Rolle, f	6	1	1	13
Sutton, f	1	1	1	3
Jansen, c	7	0	0	14
McCann, g	0	0	0	0
Klingensmith	0	0	1	0
Indians—(23)				

	fg	ft	pf	total
Woodruff, f	1	1	1	3
Crandon, f	0	0	1	0
Davis, c	4	1	1	9
Borum, g	2	0	4	4
Landeon, g	2	1	1	5
Scoring subs: Cubs, Jackson				

(4); Indians, Ives (2).

Half time score: Cubs 18, Indians 14.

Leslie, g	5	4	2	14
Rose, g	0	0	1	0
Half time score: Athletics 13; Dodgers 11.				

BOWLING

Officers

The unsung Sleepers more than lived up to their name last Tuesday night by scoring three times over the helpless Cubs to grab a short lead in the increasingly tight Officers' league. Danov's 460 series was the big noise for the winners, although Crea of

the Cubs continued to be the tournament's big gun with a 491, including a 185 individual effort. Meanwhile, the favored Flubs fell a game off the pace by bowing to the Gremlins three out of four as the PFC's, in the other match, won a like number from the Hotshots.

The standings and high averages:

	W	L
Sleepers	11	5
Flubs	10	6
PFC's	9	7
Gremlins	9	7
Hotshots	6	10
Dubs	3	13

Crea 158, Sutton 154, Mahl 139, Courson 138, Jackson 135, Woodruff 134, Haag 133, Danow 132, Daniels 131, and Loban 131.

Enlisted Men

Flashing the hottest form of the three-weeks' old meeting, the 1st Sgts' rampaging Rattlers shot into the loop lead last Friday night by crushing the Jeeps, 4-0. Once again Big Bob Leonard led the way for the winners, this time with a scorching 564 series which boasted a 220 windup. And the other "Big Boys" of the winners, Graffice and Sauer, rolled up near the five-hundred mark to swell their team's 2389 series and 861 closing game.

Meanwhile, the darkhorse Timber Choppers were enjoying their second successive perfect evening, this one at the expense of the Pill Rollers, as Singerman and Meyer soared into the high 480's to lead the barrage.

In the other contests, the Cherry Pickers picked up three from the Hotshots to go into a three-way tie with that team and the unfortunate Jeeps for third place. And the Dirty Five boosted their cause somewhat with a 3-1 verdict over the Goldbricks.

The standings:

	W	L
Rattlers	9	3
Timber Choppers	8	4
Jeeps	7	5
Cherry Pickers	7	5
Hotshots	7	5
Pill Rollers	4	8
Dirty Five	4	8
Goldbricks	4	8

Bob Norie, Tennis Pro, Returns to Smoke Tree Ranch

Bob Norie, tennis pro, is back at the Smoke Tree Guest ranch after three and one-half years in the service of Uncle Sam. It is his eighth season at the Ranch and he is planning many events for the season, to revive the fine tennis which prevailed there before he entered the army in April, 1942. He was discharged on October 2 and, after a short rest, resumed his net activity here.

He was a Tech Sergeant in the army air corps and spent one year overseas.

The Smoke Tree Guest Ranch re-opened for the season last week and on Friday there was a big back-home party on the tennis court. This week-end a cocktail party is planned.

Indications are that the Ranch faces its biggest season with reservations coming in and the place almost booked solidly for the season now.

Fish and Game Group to Meet Monday Night

Palm Springs Fish and Game Conservation association will meet Monday night at the fire hall. President Harold Lienau announced today.

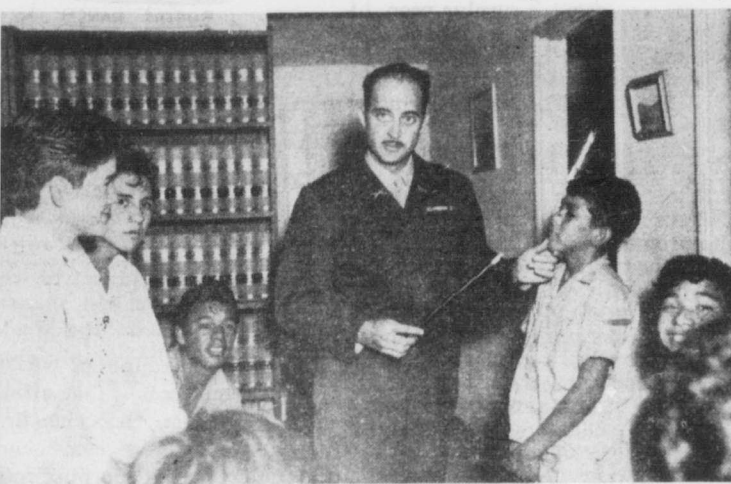

Harry Mann, well known Village sportsman, will describe his recent hunting trip into northern Montana, where he bagged a big elk and a large bear.

Other attractions are also planned, President Lienau said. Refreshments will be served under direction of Harry Mutasio and Tony Biavaschi.

The local association plans to stage a busy season with renewal of activities.

Dr. O. B. McRory at Health Convention

Dr. O. B. McRory, city health officer, attended a tri-county meeting of health officers held last night in Santa Ana. Health department representatives from Riverside, Orange and San Bernardino counties were in attendance.

MYSTIFIES BOYS—Capt. Kirk Allen entertains members of the Boys' Club with some of his tricks. (Frank Partridge Photo).

DeVine's Market Will Remain Open Six Days a Week

Johnny DeVine of DeVine's Market, Amado road and Indian avenue, says this looks like the biggest season in the history of the Village.

So big, that it's going to keep everybody busy.

As a result, he's going to abandon a long practice, one that he has observed for several years—that of closing on Thursdays.

Hereafter, DeVine's Market is going to be open on Thursdays. The first day of serving the Village public on Thursdays will be observed Nov. 8. Hereafter his clientele will be able to get what they want every day of the week except Sunday, from 8 a.m. to 6 p.m.

Wyoming has more than 100 dude ranches.

Villager Serves On Historic Old U.S. Battleship

Frederick Richard Frost, electrician's mate, second class, of Palm Springs, was in on a historic event in the Pacific area recently, according to word from the Fleet Home Town News Center at Chicago.

Aboard the U. S. S. Pennsylvania, he helped lower the curtain for the final performance of that historic battleship, veteran of World Wars I and II and 29 years in service, when her crewmen weighed anchor at Guam and headed for the States and decommissioning.

The Pennsylvania, aboard which the Villager served, scored one of the most remarkable records of any ship in the fleet. In action from May, 1943, to February, 1945, she won the Navy Unit Commendation and boasted a death rate that was the lowest.

She participated in 12 bombardments and one surface engagement and was damaged three times during the war with Japan.

Clever addition to today's cosmetic collection is a handy little lipstick and brush ensemble. It combines lipstick, lip brush and mirror in a smart plastic case, saves fumbling in your purse for three separate articles.

Lt. James Randall Discharged From Army Air Forces

1st Lt. James S. Randall, son of Mrs. Linda R. Smith of the Village, was honorably discharged from the separation base maintained at Santa Ana by the army air forces.

Lt. Randall is a veteran of 32 months of service in the army air forces, having served in Australia, New Guinea and the Philippines. He has been awarded the air medal with one cluster by the army air force.

Lt. Randall was in defense work at the Douglas Aircraft plants before entering the service.

Caraway Returns To Village This Time as Civilian

Captain Joe Caraway is back in the Village—in civvies.

He went into the army five years ago and was stationed at air base here for some time. He was active in several war loan drives here, working on the city committee, representing the air base. He was recently transferred to Great Falls, Mont., where he was when sent to San Bernardino air base for his discharge. He had too many points to be sent back overseas, he said, so they sent him to the San Bernardino separation center.

Mr. Caraway—that "mister" is funny after five years in the army, he said—went into the army from Little Rock, Ark., where his cousin, Hattie Caraway who gained fame in the U. S. senate, lives.

But, he said, after living in Palm Springs so long, he doesn't want to leave it and will stay here.

He went into the army single but left it with a wife and baby—and is that a baby! "Born right here on the desert and a real native, a regular desert baby."

Earl Whitaker Back in Village

Earl J. Whitaker, returned to Palm Springs after five years in the army, two of which were spent overseas, to visit his grandparents, Mr. and Mrs. C. W. Brouse. He received his discharge from the army on October 21.

He spent 20 years in the Village and attended grade schools here and the high school, which was then a union district with Banning.

He was with the 5th Armored division in Europe. He expects to go to Los Angeles where he has employment.

PEPPERMINT MARMALADE

1 cup orange pulp
2 lemons, juice and grated rind
½ pound peppermint candy
Break or crush peppermint candy into small pieces. Combine all ingredients and cook until mixture is thick and candy is melted. Pour into clean, sterile jelly glasses and seal with paraffin.

HE'S PINCHED—At the opening of Hotel La Quinta season, Bill Walsh, manager, receives a warrant to appear at the Kangaroo Court in Palm Springs from First Lt. Mary S. Pryor, public relations officer of Torney General Hospital. The man in the background who seems to approve the action is Robert Ransom, president of Palm Springs Chamber of Commerce. (Frank Partridge Photo).

TORNEY GENERAL HOSPITAL EVENTS

By Sgt. Vic Blanks

FREE HORSEBACK RIDES

Frustrated cavalymen, homesick cowpokes and people who simply have the urge to acquire a saddle-straddle have been given an opportunity to indulge their whim by Torney Special Services.

The Special Services branch will foot the bill for an evening or afternoon of horseback-riding at the Rancho Stables on Andreas Road Monday, Wednesday and Friday of each week.

Tickets for riding are available at the WAC orderly room and at the Enlisted Section orderly room. Any EM or EW of 1976 SCU can begin riding at noon on the 3 days mentioned and ride for free until his or her pants shine like a desert night (horse willing).

WAR CHEST PREMIERE

Tonight and Tomorrow night, the Torney Post Theatre will be turned over to the promotion of a worthy cause, with all proceeds of a premiere of "Spanish Main" being given to the War Chest.

Admission to the premiere is 50c per person, all of which will go as Torney's contribution to the War Chest Drive.

Col. A. B. Jones, Commanding Officer, has also invited all civilian workers not dependents of servicemen and not residing on the Post to attend the shows. Customarily these people are not allowed to attend the Post Theatre, but inasmuch as the proceeds from this showing go to charity, it is permissible.

The showings tonight—1 November—are at 6:00 and 8:00 p. m. Tomorrow — 2 November—there will be a special matinee at 2:30 and evening shows at 6:00 and 8:00.

"Spanish Main" stars Paul Henreid and Maureen O'Hara, and according to advance reviews, is an excellent bit of entertainment.

RED CROSS NOTES

Spooks were riding early this year at Red Cross, as the patients celebrated with a Halloween Carnival on October 24.

Patients and recreation staff worked at top speed to meet the deadline, decorating the recreation hall with orange and black streamers and Halloween figures, putting up booths.

And did you see the lovelies from the post who were running the booths? Our sincere thanks to the following girls who acted as hostesses and gave out the many prizes: Bernice Pearl, Marion Willoughby, Sarah Porter, Lorraine Hank, Carol Vincent, Melba Welton, Eileen McGrath, Suzy Stagg, Gladys Mills, Freddie Dowden, Doris St. George, Freda Mossman, Mrs. D. Keeney, Annette Hurraibiele. Bingo, roulette, ping-pong, bowling, baseball throw, darts, card toss, penny pitch, ring toss, a fish pond, pinning the tail on

LEGAL NOTICES

CERTIFICATE OF INDIVIDUAL DOING BUSINESS UNDER A FICTITIOUS NAME

Civil Code Sec. 2466-68
State of California,)
)ss.

County of Riverside)

I hereby certify that I am transacting business in the State of California, at Desert Hot Springs under a designation and name not showing the name of the person interested in such business, to-wit: "The Village Store."

(Signed) MAXINE MAZE,
Desert Hot Springs
State of California,)
)ss.

County of Los Angeles)

On the 3rd day of October in the year one thousand nine hundred and 45 before me personally appeared Maxine Maze known to me to be the person whose name is subscribed to the foregoing instrument and she acknowledged to me that she executed the same.

WITNESS my hand and seal of my office this 3rd day of October, 1945.

CONNIE M. KAUFMAN,
Notary Public.
My commission expires June 15, 1945. (SEAL)
Pub.: Oct. 12, 19, 26; Nov. 2, 1945.

Mrs. Hardy Reports Theft of Money

Mrs. Ruth Hardy of the Ingle-side Inn reported to police this week that some one had stolen \$31 from the office.

She said it must have been some one who sneaked into the office because all employees were above suspicion.

Varied Activities Of Palm Springs Told Coordinators

Reports of activities in Palm Springs were heard when the Mayor's Co-ordinating council met at the Desert Inn last Friday noon in a luncheon session.

Present were Mayor Eugene E. Therieau, Harold West, C. B. Hinkle, Lloyd Simon, Mrs. Armand Tyronnet, Col. A. B. Jones, John Williams, Dr. E. E. Oertel, Mrs. Harold Hicks, Mrs. Josephine Sprague, Major George Wirt, Robert Ransom, C. J. Burket, and Miss Ruth Jones, of the Chamber of Commerce office.

REPORTS ON SCHOOL

Dr. Oertel, principal of Palm Springs high school, reported on the increasing enrollment at the high school, plans for an expansion program including new buildings, the success of the high school football team, and notified the council of the forum series which started last night at the Frances S. Stevens school.

Mr. West, chairman of the Palm Springs Red Cross, advised the council that Red Cross headquarters had been moved to Torney General Hospital and thanked Col. Jones for his courtesy in offering space. He said that the annual election of the Red Cross branch would be held Nov. 14, and said that Mr. Hinkle would represent the Red Cross on the mayor's board hereafter.

ON X-RAY USE

Mrs. Hicks, reporting for the Welfare association, detailed plans for use of the newly installed X-Ray machine at the Health Center. She said that patients had to be referred to the Center by a physician and that the fee was nominal. Arrangements for emergency cases on Saturdays and Sundays have been made and X-Rays may be taken after 5 p.m. by appointment.

Reporting for the Youth Center, Mrs. Hicks said that a lot on Bellardo road had been obtained for \$7,500 and that Mr. and Mrs. E. W. A. Peake had contributed \$20,000 for the building. Architect Harry Williams is drawing plans for the building, she said. In the drive for funds for the Youth Center, she said, \$2865 had already been raised.

TO START MONDAY

Mrs. Josephine Sprague advised the board that the Women's club, of which she is president, would start its season next Monday. She added that the executive board of the club favored greater use of the clubhouse for civic affairs.

Major Wirt, representing the army air base here, reported on the status of the local field, saying it had been reduced to a service station with a personnel of 350 men and officers.

Mr. Simon reported on activities of the Masons, De Molay and Lions clubs which he represents on the Mayor's board.

REPORTS ON HOSPITAL

Mrs. Turonnet reported on Community hospital affairs and said the board of the hospital would meet on the fourth Thursday of each month, meeting yesterday at the Frances S. Stevens school.

President Ransom of the Chamber of Commerce reported on activities of Harry C. Harper, secretary, in aviation matters at Washington, D. C., and on local airport plans. He also said the American Legion planned the unveiling of a large plaque listing all the names of men and women from the Village who saw service in the armed forces of the nation during the recent war.

Col. Jones said he had no comments to make on rumored closing of Torney but did extend a welcome to the Red Cross and thanked Los Compadres club for extending the Western Week parade through the hospital grounds.

REPORTS ON CHANGES

Mr. Burket reported on proposed changes in the city planning and zoning measure to bring it up to date.

John Williams, representing the realty board, was welcomed as a new member of the council. Mayor Therieau said there was nothing special to report at this time on city council activities and the meeting adjourned, to meet again on Nov. 16.

Norma Jean Smith Celebrates Birthday

Norma Jean Smith, daughter of Mr. and Mrs. Stephen Smith celebrated her 12th birthday by having a party at her home Saturday afternoon. Six guests were present. Shirley Lockett, Diane Cross, Sandra McDonald, Loretta Brownell, Jean Anderson, Sally Behneman. Refreshments were served and games were played. Prizes were won by Diane, Loretta and Sandra.

MORE ABOUT . . .

Torney Purchase . . .

municipality third; the veterans fourth; previous owners of the property come next and then the property is thrown open for public bidding.

PREPARES STUDIES

Harry Williams, local architect, had prepared studies of uses to which both properties could be put. The main building at the former El Mirador hotel is tentatively shown as the city hall and city offices; a large two-story, seventy-room building well removed, facing south as the community hospital; a standard size A.A.U. pool as a municipal pool; the new and expensively constructed gymnasium as the American Legion Memorial hall; suitable buildings are available for other community activities and as housing for all municipal employees, as well as nurses and doctors. These buildings are among the well constructed buildings now located on the main part of the property.

It was brought to the attention of the meeting that several outside parties are already interested in conducting negotiations for this property with the idea and intention of using the present temporary buildings as hotel and apartment accommodations. These buildings during the war were desirable because of the emergency and the merciful use to which they were put. But, in the opinion of the chair, they should be dismantled and sold as surplus material so as to restore the area to its natural use—that of a high class residential area.

CITY ACTS AT ONCE

Mayor Therieau assured the meeting that the council would give immediate consideration to this proposal; and said he would call a special meeting of the council to ask the government to freeze all equipment and lands in Palm Springs now owned by the government.

Florian Boyd, president of the community hospital, said, "I consider this not only an opportunity, but most opportune. My association has available the largest sum of money ever collected in Palm Springs for a community use. I shall call a meeting of my board of directors for the purpose of fully advising them as to the opportunity now offered. I am convinced that they will take favorable action; and I request my representative on the city council, Armand Tournet, to effect whatever is necessary in order that the city may have first option."

Herbert Samson said that this was not only an opportunity but that it was a responsibility of those at the meeting, and that they should assume the responsibility without further ado.

It was brought out that in a Riverside community a similar transaction had recently taken place whereby the municipality had acquired a property valued at in excess of \$200,000 for the sum of \$17,000. The government's attitude in the disposal of surplus property is that the people paid for it originally, and if they have use for it, it should be returned to the people.

All communications from the surplus property administrator, W. Stewart Samington, urged the communities to take advantage of the surplus property in their areas.

Daughter Is Born To New Villagers

A daughter was born October 22 to Lt. and Mrs. Arthur Coffey. Nancy Ann, 8 lbs., 10 ozs. Lt. Coffey of North Carolina has been stationed at Torney since September. The Coffeys have bought a new home at 1507 Granda de Valmonte and plan to make Palm Springs their home.

Council Protests New License, Puts OK on Renewals

Council acted on four applications for liquor licenses at its meeting Monday. One was protested and three passed with no protests. The protest was voted against a new license. The three passed without protests were renewals or transfers without change of address.

The license protested was that filed with the state board of equalization by Louis Thompson of the La Cita.

In quick action the council filed without protest notice from the state board of equalization of applications for renewals of licenses at the Doll House, Palm Springs hotel, and Palm Springs Tennis club.

To Yanks returning from London it will look perfectly natural to see the way some of our motorists drive on the wrong side of the street.

Doing the Village with Moya Henderson

It's always pleasant to welcome old timers back to the Village and now that the war is over they are really flocking home, after an absence of over three years, Herbert J. Carpenter has opened his hacienda on Merito Place and is getting settled for the winter. The desert air must seem good to him after so long a stay in the East.

A mighty happy family are the Homer Jenkins. Homer, recently returned from Okinawa, has wrapped his blues in moth balls and is back in civies again.

Major and Mrs. Whitaker dropped into town to say hello to old friends. Earl, also, expects to be out of uniform in the near future.

Word from other local boys in the service—Billy Marvin longs for the desert, not only does he miss his family but says he is slowly freezing to death in Japan. Seems their cold weather gear has not been issued yet. Lt. Keith (Lum) Rapp received his discharge from the Army last week and he and his wife are off to Philadelphia to visit her family. Come March, the Rapps hope to be heading toward the Colorado Desert with a new car and a new little Rapp.

LITTLE BEAUTY

Speaking of new additions, Dr. and Mrs. Henry Reid have arrived from Estes Park for the remainder of the season and we are most anxious to see their youngest. His name is Golden Stardust, he's a palomino stallion and, from his pictures, he's a little beauty. The Reids are now occupying their new home at Smoke Tree, a wonderful place to really enjoy those two matched stallions, Golden Sunrise and Golden Sunset.

One of the loveliest parties to be given in Palm Springs for many a year was the Robert Ransom's housewarming last Sunday eve. Hosts of friends gathered for cocktails followed by a buffet supper and they are still exclaiming over the charm-

ing house and even more charming host and hostess.

OTHER GATHERINGS

Other Saturday night gatherings—Out at Tahquitz Estates the Henry Wicks, Charlie Matthews, and Earl Neels gathered for cocktails at the Frank Alcotts. Enjoying the cuisine at La Quinta Hotel were the Alvin Weingartens, Harold Wests, Armand Turonnets, Merrill Crockett, Josephine Sprague and Joe Snyder. A warm welcome was extended to Mr. and Mrs. Edward Stamm who arrived in town on their honeymoon. Mr. and Mrs. Culver Nichols entertained the newlyweds with a cocktail and dinner party at the Desert Inn, Sunday. Mrs. Stamm is the former Lois Kellogg.

Imagine Mrs. Linkletters' surprise when she picked up the phone and found she was talking to Grace Zangerly way back in Chicago. A great lover of the desert, Mrs. Zangerly hopes to be here soon and was just calling to ask about her many Palm Springs friends.

The Ben Darnells are really going rural. Having sold the Vaughn Arms, they plan to become peach growers and have purchased a lovely ranch in Yucaipa.

Holly Lash Visel has said goodbye to her charming house guest, cousin Paulson Visel. He really seemed to enjoy the doin's of Western Week and joined right into the spirit.

You may have missed that most efficient and busy Grey Lady around the Village lately. Mrs. Lauritz Hansen is spending

Final Figures on Total Tax Rates In City Announced

Complete figures on the 1945-46 taxation rates for Palm Springs and the Desert school district have been released by R. T. Hicks, county auditor, and Miss V. M. Hyde, county tax collector.

Highest rate is paid by property owners within the city and in the cemetery district. The rate here is \$5.02 per \$100 assessed valuation. Within the city outside the cemetery limits the rate is \$5.10.

OUTSIDE OF CITY

The rate in the Desert district outside of the city limits but in the cemetery district is \$4.02 and outside of the cemetery district \$4.01.

In all districts, the county rate of \$1.64 applies. Within the city limits the \$1.00 city rate is added.

The Desert school district total is \$1.53, the high school rate, \$.82, and the county junior college rate, \$.02.

SOME PAY MORE

In addition, some portions of the city pay 2 cents in the Coachella valley mosquito abatement district and a portion in the sanitary district a 16 cent maintenance rate.

Grand total assessed valuation of the Desert school district for the 1945-46 year was given as \$10,997,000. Assessed values within the corporate limits of Palm Springs were listed at \$9,038,110. Assessed values in the high school district which goes beyond the lines of the Desert district were listed as \$11,402,970.

Leo Youngworth Addresses Masons At Luncheon Rally

Palm Springs Masonic club held its monthly luncheon at the Desert Inn, Tuesday noon, with 60 members and visitors present, Lloyd Simon, president, presiding.

Karl Kumpe introduced the speaker of the day, Leo V. Youngworth, of Santa Monica. Mr. Youngworth, who has been a mason for over 50 years and who has held many chairs in the different Masonic degrees, including that of Imperial Potentate of the Shrine, gave a very interesting and inspiring talk on Masonry, drawing a parallel between the philosophy of Masonry and democracy.

The next luncheon will be held on Tuesday, November 27.

a week or two with her daughter and son-in-law, Lt. Com. and Mrs. Everett Leak in Santa Barbara.

So sorry to hear of Mrs. Frank Shannon's illness. She is at the Redlands hospital but we hope she'll soon be home on Ocatilla Road. Daisy Love is also on the Convalescent list. Although we don't envy her the injured knee we do envy her way of life. What pleasant and interesting work to instruct as well as play bridge.

Congratulations to the Lion's Club and the local police force for planning a sane but most entertaining evening for the younger set on Halloween. Shows the foresight and understanding of our City Fathers.

The dance of the polka originated in Bohemia and in the 19th century became the most popular dance of all Europe.

The boys who went to war gave their country first consideration. Their return calls for the same from their country.

Mrs. Shannon In Hospital

Mrs. Shannon, wife of Frank V. Shannon, both well known Villagers, is in Community Hospital, Riverside, for medical examination and a possible operation. She is under care of Dr. P. A. Staley.

Mr. and Mrs. Shannon recently returned to the Village from a long trip through the east.

Realtor, 84, and Wife, 80, Here On Trailer Trip

Trailerites never grow old.

In Palm Springs, at the Desert Trailer Village with their home on wheels, are F. C. Chapman, 84, and Mrs. Chapman, 80, stopping here for the winter while doing the U. S. in a trailer. They plan to spend next winter in Florida but like Palm Springs so much they may change their minds.

Mr. Chapman is a retired San Jose realtor.
